Country Operational Dialogue Specialist – Africa

GREEN
CLIMATE
FUND

Why DCAP?

Enhance on South – South Cooperation

Provide a space to share policies, strategies, good practices, deliverables, videos, among others.

It's unique & inclusive Community

An accessible and User-Friendly Platform

Provides NDAs/DAEs additional capacities they may need to be able to develop and implement readiness and project proposals

To post, share knowledge and opportunities on voluntary basis

What is DCAP?

The DIRECT CLIMATE ACTION PLATFORM (DCAP)

An **online platform** designed for **National Designated Authorities, Direct Access Entities, institutions** and **individuals** to **share knowledge, exchange technical expertise** and **build capacity** by linking with **potential technical volunteers and consultants** that could support institutions in punctual, precise, and short term tasks.

GREEN
CLIMATE
FUND

A platform for NDAs & DAEs

Search for specific needs

NDAs and AEs can customize their search and target specific profiles of volunteers and/or consultants.

Manage a personal workspace

A creative tool for managing opportunities and knowledge items, allowing NDA and AEs to manage their workspace and promote their work to the world.

Post and manage opportunities

Post opportunities based on specific criteria related to NDAs and AEs project development, strategy, etc.

Post and share best practices

Contributing to global knowledge on climate practices and learning from other countries, organizations and individuals experiences

Key DCAP functionalities
