Project Preparation Facility

Country Programming Division

Guilhem Pouillevet

9 April 2018

Overview

- What is project preparation facility (PPF)?
- What are the eligible PPF activities?
- How to apply?
- What is the process?
- What is assessed?
- PPF state of play

What is Project Preparation Facility (PPF)

- To support project and programme preparation, especially for micro-to-small category projects
- **All accredited entities (AEs)**, especially direct accredited entities, can request support from the PPF
- Each request will be subject to a cap of **USD 1.5 million**
- Proposals developed with PPF resources should be submitted to the Board within **two years** after the PPF request was approved

What are the eligible PPF activities?

1. Pre-feasibility and feasibility studies, as well as project design;
2. Environmental, social and gender studies;
3. Risk assessments;
4. Identification of programme/project-level indicators;
5. Pre-contract services, including the revision of tender documents;
6. Advisory services and/or other services to financially structure a proposed activity; and
7. Other project preparation activities, where necessary, provided that sufficient justification is available.

Completeness of Funding Proposal

Project documentation:

- No-objection from the country NDA(s)
- Feasibility study -> providing rationale for proposed design, structure & costs
- Procurement plan, budget breakdown
- Environmental and social impact assessment
- Gender assessment and analysis
- Risk assessment
- Logic framework
- Stakeholder consultations

How to apply

- A PPF request should be submitted by an Accredited Entity to ppf@gcfund.org
- Required documents:
 - PPF application form
 - Concept note
 - No-objection letter for PPF

PPF State of Play

- **49** PPF requests have been officially submitted with NOL
- Covering **45** countries
- **23** requests are from direct access entities

As at 3 April 2018
