China

Indonesia

China

Bangladesh

India

Bangladesh

India

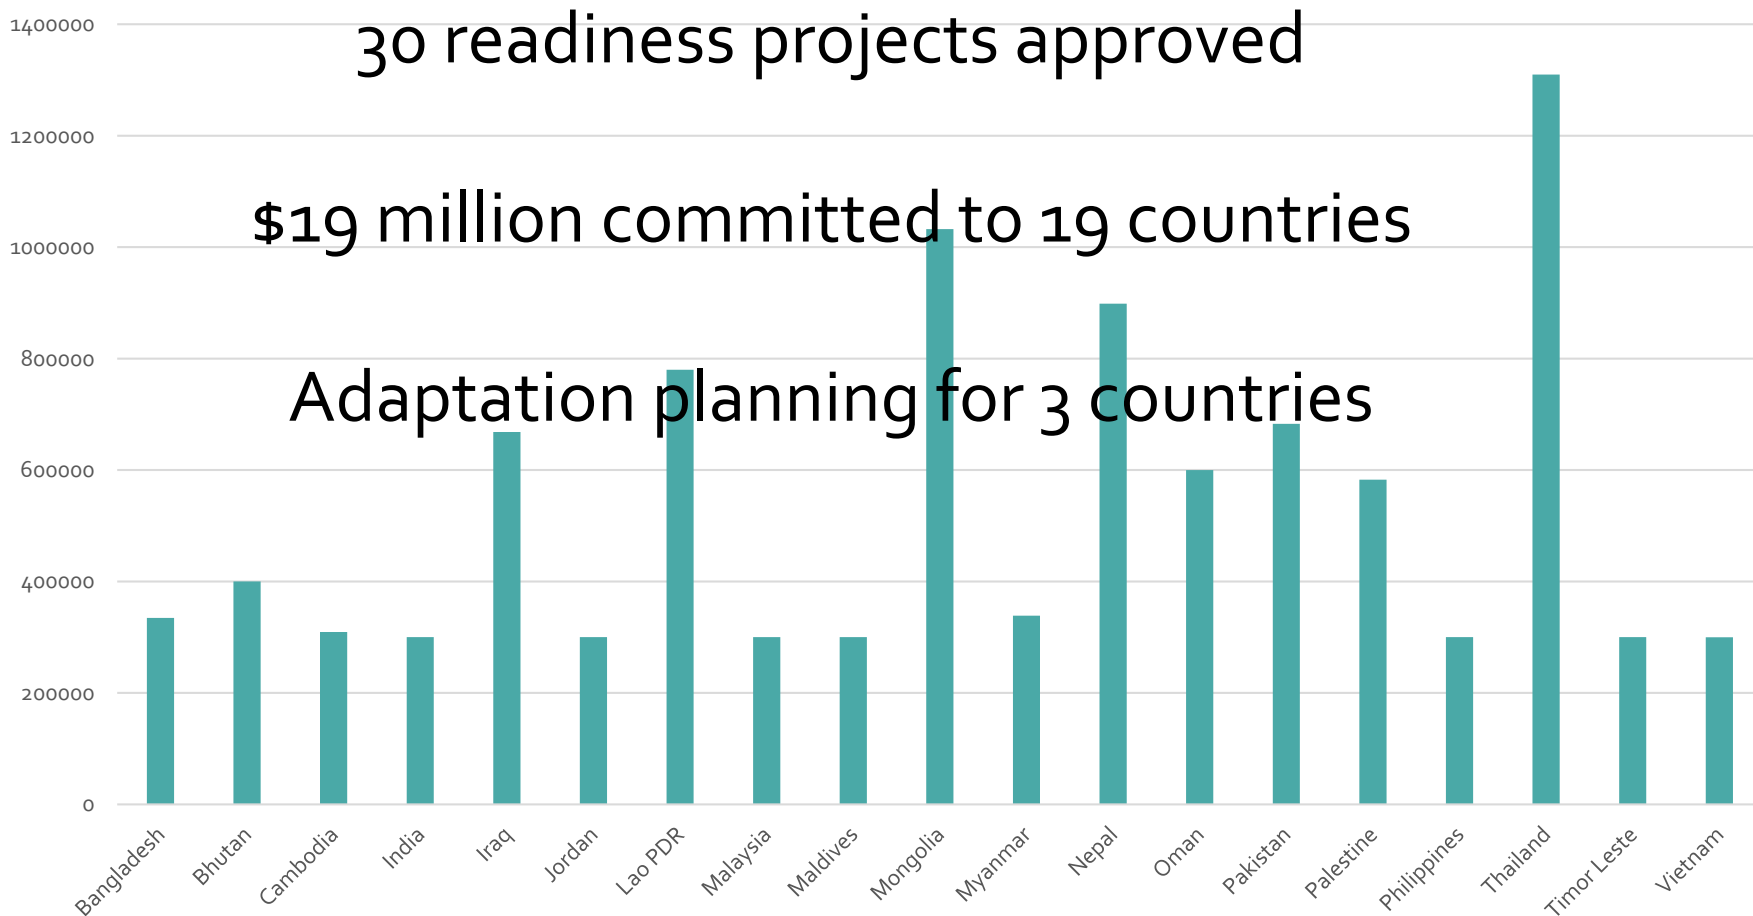

Mongolia

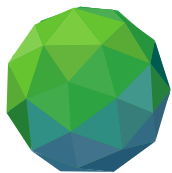

9 entities accredited from 6 countries

Additional 42 entities seeking accreditation

Readiness Support

GREEN
CLIMATE
FUND

Readiness in Malaysia

Strategic prioritization for Malaysia country programme

Energy sector opportunities

Support for direct access

Malaysian Green Cities Fund

Carbon Trust

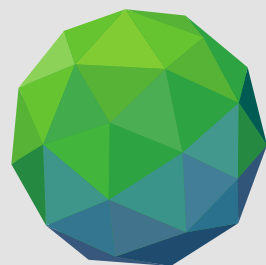

\$ 300,000

12 months

Outlook

- Projects in remaining countries
- Potential for private sector projects
- Balance direct vs international access
- Expand readiness support coverage
- Country programmes for country-driven pipelines
