Knowledge Cafe: Unveiling Peer Insights

George Zedginidze

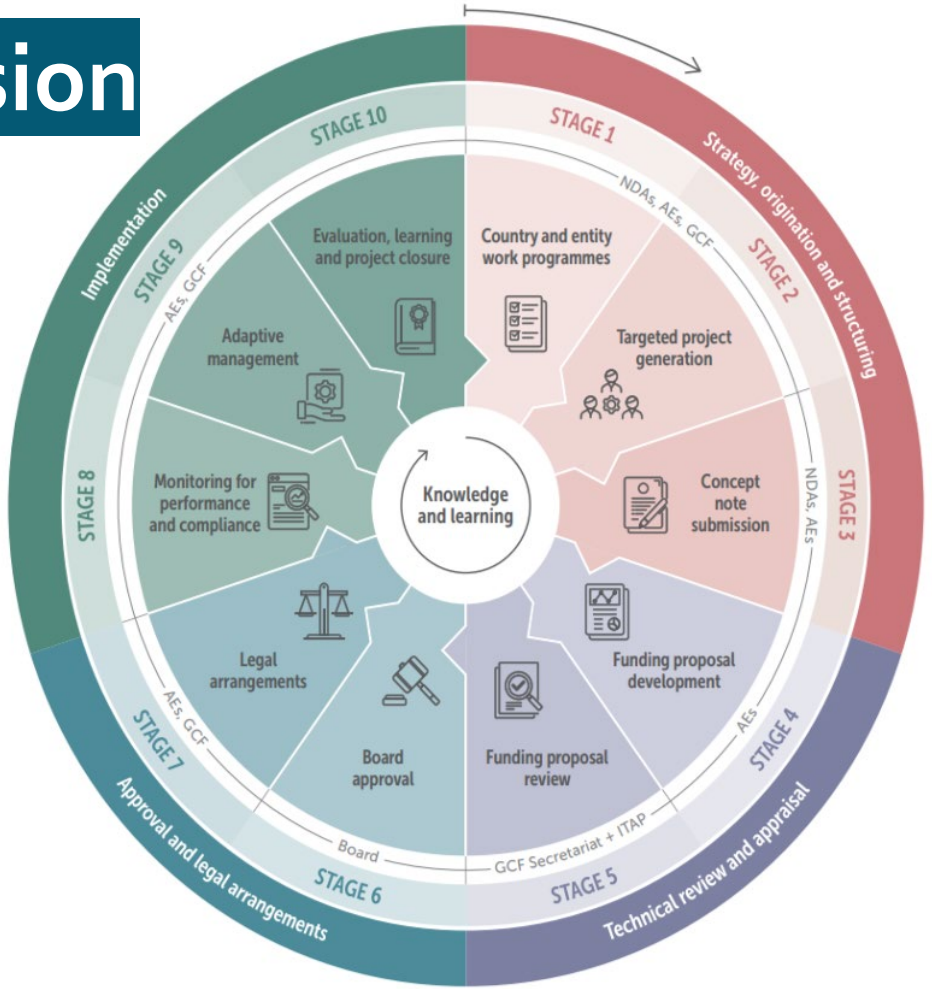
Head of Knowledge Management, GCF

Skopje, Republic of North Macedonia

21 March, 2024

scope of the session

This peer to peer knowledge sharing session will allow GCF partners (NDAs, (D)AEs, and experts) to **discuss, share and reflect on good practices, challenges and lessons learned** concerning projects origination and implementation in an interactive way. This is also an opportunity for the partners to share feedback with the GCF team.



Agenda

(5 min) Opening: How Today's Knowledge Cafe will work

(10 min) Warm-up activity

(60 min) 2 rounds of group discussions

- *(20 min) Round 1-* ***How Readiness Led To a Robust Country Programme and Enhanced Country Capacity***
