#RoadToClimateAction

DAY 1

19 AUGUST 2019 – MONDAY

HIGH-LEVEL SEGMENT

08:00-09:30

Registration

Ground floor in front of Gate 8

09:30-10:30

Session 1-1: Plenary Opening Session

Premier Ballroom

Moderator Dr. Oyun Sanjaasuren, Director of External Affairs, Green Climate Fund

Speakers Ms. Amina J Mohammed, Deputy Secretary-General of the United Nations *(video message)*
Mr. Yannick Glemarec, Executive Director, Green Climate Fund
Hon. Teuea Toatu, Vice President, Kiribati
H.E. Koo Yun-cheol, Vice-Minister of Economy and Finance, Republic of Korea
Mr. Park Nam-Choon, Mayor of Incheon City, Republic of Korea

10:30-11:30

Coffee Break

11:30-12:30

Session 1-2: Plenary Urgency for Transformative Action: The 1.5 Degree Celsius Imperative

Premier Ballroom

The first plenary session will have global leaders on climate science and policy reiterate the urgency that the science calls for and policy actions needed to avert a climate crisis.

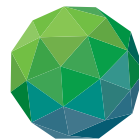

Moderator Dr. Kilaparti Ramakrishna, Head of Strategic Planning, Green Climate Fund

Keynote Speaker H.E. Ban Ki-moon, President and Chair of the Global Green Growth Institute,
and 8th Secretary-General of the United Nations

Panel discussion Mr. Mourad Wahba, Associate Administrator a.i., United Nations Development Programme
Ms. Joyce Msuya, Deputy Executive Director, United Nations Environment Programme
Ms. Elena Manaenkova, Deputy Secretary-General, World Meteorological Organization
Prof. Jeffrey D. Sachs, Columbia University *(live video)*

12:30-13:30

Lunch

BY INVITATION ONLY

Side-Meeting 1-2-1
**High-Level Lunch hosted by the
Ministry of Economy and Finance of the
Republic of Korea**

13:30-15:00

**Session 1-3: Parallel Sessions
Programming for Ambition**

Three parallel sessions where Ministers will articulate how their countries are responding to the urgency for climate action with ambitious plans and the heads of Accredited Entities demonstrate how they will support countries to realise these ambitions with GCF support

Session 1-3-1

#113-115

Session 1-3-2

Premier Ballroom

Session 1-3-3

#116-118

Floor language

English

French

Spanish

Moderator

Mr. Pa Ousman Jarju
Director of Country Programming
Green Climate Fund

Mr. Yannick Glemarec
Executive Director
Green Climate Fund

Mr. Javier Manzanares
Deputy Executive Director
Green Climate Fund

Panel discussion

H.E. Paula Cristina Francisco Coelho
Minister of Environment
Angola

H.E. Mustafa Kamal
Minister of Finance
People's Republic of Bangladesh

H.E. Marsha Caddle
Minister of Finance, Economic Affairs
and Investment
Barbados

Mr. Timo Menniken
Director General
Deutsche Gesellschaft für
Internationale Zusammenarbeit

Mr. Kosi Latu
Director General
Secretariat of the Pacific Regional
Environment Programme

H.E. Pierre Hele
Minister of Environment,
Protection of Nature and
Sustainable Development
Cameroon

H.E. Arlette Soudan-Nonault
Minister of Tourism and
Environment
Republic of Congo

H.E. Alexandre Marie Georget
Minister of Environment and
Sustainable Development
Madagascar

Mr. Elmahdi Arrifi
General Director, Agency for
Agricultural Development,
Kingdom of Morocco

Mr. Khatim Kherraz
Executive Secretary
Sahara and Sahel Observatory

H.E. Ricardo Lozano Picón
Minister of Environment and
Sustainable Development
Colombia

H.E. Ebal Jair Lupian
Secretary of the Presidency
Honduras

H.E. Ivan Acosta
Minister of Finance and Public
Credit
Nicaragua

H.E. Carlos Pereira
Minister of Planning for Economic
and Social Development
Paraguay

Dr. Dante Mossi
Executive President
Central American Bank for
Economic Integration

Mr. Anton Willems
Executive Director
Peruvian Trust Fund for National
Parks and Protected Areas

15:00-15:30 Coffee Break

15:30-17:00 **Session 1-4: Plenary**
**Strategic Programming for
GCF First Replenishment**

Premier Ballroom

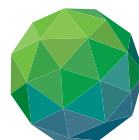

GCF will present its proposed strategic programming plans for the first replenishment period while Ministers, heads of Accredited Entities and other partner institutions provide insights on how they view the GCF's plans responding to the science and country ambitions

Moderator Dr. German Velasquez, Director of Mitigation and Adaptation, Green Climate Fund

Presenter Mr. Javier Manzanares, Deputy Executive Director, Green Climate Fund

Panel Discussion Hon. Mark Brown, Deputy Prime Minister, Cook Islands
H.E. Prof. Lee James Taylor White, Minister of Forests, Oceans, Environment and Climate Change, Gabon
H.E. Simon Stiehl, Minister for Climate Resilience, the Environment, Forestry, Fisheries, Disaster Management, and Information, Grenada
Ms. Jennifer Morris, President, Conservation International
Mr. Patrick Dlamini, Chief Executive Officer, Development Bank of Southern Africa

18:00-20:00 **Dinner Reception at Central Park Hotel**
Transportation will be provided

DAY 2

20 AUGUST 2019 – TUESDAY

HIGH-LEVEL SEGMENT

09:00-10:30

Session 2-1: Plenary Countries at the Centre

Premier Ballroom

The session will focus on how country-led planning and programming processes contribute to building an ambitious pipeline of transformational projects and programmes for the GCF.

Moderator Dr. Cristina Rumbaitis, Team Leader, Resiliencesolutions

Speakers Mr. Pa Ousman Jarju, Director of Country Programming, Green Climate Fund
H.E. Namgay Tshering, Minister of Finance, Royal Government of Bhutan
H.E. Hussain Rasheed Hassan, Minister of Environment, Maldives
H.E. Nezha El Ouafi, Secretary of State in charge of Sustainable Development, Morocco
Mr. Benedict Libanda, Chief Executive Officer, Environmental Investment Fund of Namibia
Mr. Woochung Um, Director General, Asian Development Bank
Ms. Ainka Granderson, Caribbean Natural Resources Institute

10:30-11:00

Coffee Break

11:00-12:30

Session 2-2: Parallel Sessions Science-Based, Systems Approach

The session will focus on mainstreaming of climate science and risk information in plans, policies and investments to effect systemic change across sectors and geographies.

Session 2-2-1 Climate-resilient Development

Premier Ballroom

Moderator Ms. Selina Wrighter
Senior Adviser to the Executive Director
Green Climate Fund

Panel Discussion Dr. Ania Grobicki
Deputy Director of Mitigation and Adaptation
Green Climate Fund

H.E. Molwyn Joseph
Minister of Health, Wellness and the Environment
Antigua and Barbuda

H.E. Batio Bassiere
Minister of Environment
Burkina Faso

Session 2-2-2 Low-emission Development

#116-118

Moderator Mr. Tony Clamp
Deputy Director, Private Sector Facility
Green Climate Fund

Mr. Vladislav Arnaoudov
Monitoring and Evaluation Specialist
Green Climate Fund

Mr. Emmanuel de Guzman
Secretary and Vice-Chairperson, Climate
Change Commission
Philippines

H.E. Nino Tandilashvili
Deputy Minister of Environmental
Protection and Agriculture
Georgia

Panel Discussion
(cont'd)

Dr. Juliao dos Reis
Executive Secretary for NDA and Principle Advisor for
Secretary of State for Environment
Timor-Leste

Dr. Pradeep Kurukulasuriya
Executive Coordinator, Global Environment Finance
United Nations Development Programme

Dr. Elena Manaenkova
Deputy Secretary-General
World Meteorological Organization

Mr. Enamul Karim Pavel
Head of Renewable Energy, Infrastructure
Development Company Limited

Ms. Irene Hofmeijer
Program Manager
Climate-KIC

Ms. Wanun Permpibul
Executive Director
Climate Watch Thailand

BY INVITATION ONLY

Side-Meeting 2-2-3

#301

Accelerating Implementation of GCF Portfolio

A high-level session for the heads of delegation of United Nations agencies led by the GCF Executive Director

The objective of this session is to gather feedback on how to unlock existing challenges associated with project implementation and turn them into potential opportunities for more efficient and effective collaboration and knowledge sharing.

12:30-13:30

Lunch

BY INVITATION ONLY

Side-Meeting 2-2-4

#301

Lunch Meeting with Direct Access Entities hosted by the GCF Executive Director

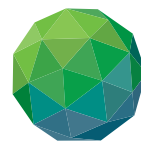

A lunch meeting between the GCF Executive Director and Direct Access Entities to explore measures to address challenges in developing and implementing approved projects to deliver impact and knowledge sharing

13:30-15:00

Session 2-3: Parallel Sessions

Investing in Institutional Transformation

The session will focus on strengthening institutional and human capacity to identify, design and implement transformational climate interventions.

Session 2-3-1 Country Policy & Regulatory Frameworks

Premier Ballroom

Moderator Mr. Robert Bradley
Director, Knowledge and Learning
NDC Partnership

Panel discussion

H.E. Erik Grigoryan
Minister of Environment
Armenia

H.E. Romauld Ferreira
Minister of Environment and Housing
The Bahamas

H.E. Sommad Pholsena
Minister of Natural Resources and
Environment
Lao People's Democratic Republic

H.E. Foday Jaward
Executive Chairman of the Environment
Protection Agency
Sierra Leone

Mr. Frank Rijsberman
Director-General
Global Green Growth Institute

Session 2-3-2 Direct Access Capabilities for Scaling-Up

#116-118

Mr. Sohail Malik
Head of Portfolio Management
Green Climate Fund

H.E. Fekadu Beyene Aleka
Commissioner, Environment Forest and Climate
Change Commission
Ethiopia

Mr. Lal Shanker Ghimire
Secretary, Ministry of Finance
Nepal

Dr. Kenrick Leslie
Executive Director
Caribbean Climate Change Community Centre

Mr. Meruzhan Galstyan
Director, Environmental Project Implementation
Unit, State Agency of the Ministry of Environment
Armenia

Mr. Tsevegjav Gumenjav
Chief Executive Officer
XacBank

Mr. Mikko Ollikainen
Manager
Adaptation Fund

Mr. Allenisheo Lalanath Mark da Silva
Head of Independent Redress Mechanism
Green Climate Fund

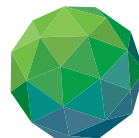

BY INVITATION ONLY

Side Meeting 2-3-3 #301

Accelerating Implementation of GCF Portfolio

A high-level session for the heads of delegation of Multilateral Development Banks led by the GCF Executive Director

The objective of this session is to gather feedback on how to unlock existing challenges associated with project implementation and turn them into potential opportunities for more efficient and effective collaboration and knowledge sharing.

15:00-15:30 **Coffee Break**

15:30-16:30 **Session 2-4: Plenary**
**Catalysing Innovation &
Mobilising Investments at Scale**

Premier Ballroom

This session will focus on business models and technologies that push the frontiers of innovation and consider novel approaches to mobilise public and private finance at scale for high-impact climate-compatible investments with concessional and risk-taking climate finance.

Moderator Mr. Mitch Carpen, Head of Risk Management & Compliance, Green Climate Fund

Speakers H.E. Wallace Cosgrow, Minister of Environment, Energy and Climate Change, Seychelles
Ms. Camilla Otto, Director, European Bank for Reconstruction and Development
Ms. Kate Montgomery, Head of Business Development, Acumen Fund Inc.
Dr. Jyotsna Puri, Head of Independent Evaluation Unit

15:30-17:00 **BY INVITATION ONLY**

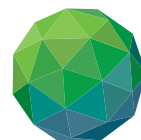

Side Meeting 2-5-1 **#116-118**
GCF Knowledge Management Strategy Workshop

The objective of this session is to launch and socialize the GCF Knowledge Management (KM) Theory of Change and draft GCF KM Strategy to KM representatives and focal points. It is important for GCF to collaborate with other organisations in harnessing untapped knowledge resources that can benefit the global community.

15:30-17:30 **BY INVITATION ONLY**

Side Meeting 2-5-2 **#113-115**
**Leveraging the Great Green Wall of Africa to
Accelerate Climate Change Adaptation and
Mitigation in a Regional Context**

The meeting seeks to bring together GCF Countries and Accredited Entities actively involved in the Great Green Wall (GGW) as well as the Global Environment Facility to discuss ongoing efforts to accelerate GGW implementation, take stock of existing engagement in the GGW, including GCF pipeline, seek AEs view on elements to be considered by the proposed GCF GGW approach, and agree on next steps.

16:30-17:30

Session 2-6: Plenary

Premier Ballroom

Getting Ready for Climate Action: A Holistic Approach

The session will consider how countries could use the GCF's Readiness Programme to strategically prepare themselves for ambitious climate action.

Moderator Dr. Lifeng Li, Coordinator of Support Programmes, Green Climate Fund

Speakers Mr. Daniel Buckley, Readiness Programme Senior Specialist, Green Climate Fund
H.E. Nathaniel Tennie Blama Sr., Executive Director, Environmental Protection Agency, Liberia
Ms. UnaMay Gordon, Principal Director, Ministry of Economic Growth and Job Creation, Jamaica

17:30-18:00

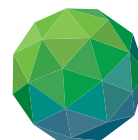

Session 2-7: Plenary

Premier Ballroom

Closing Session of the High-Level Segment

Moderator Mr. Pa Ousman Jarju, Director of Country Programming, Green Climate Fund

Speakers Hon. Mark Brown, Deputy Prime Minister, Cook Islands
Mr. Yannick Glemarec, Executive Director, Green Climate Fund

09:00-10:30 **Session 3-1: Parallel Sessions**

Session 3-1-1 Built Environment

This session will focus on integrated planning, design and project development to deliver interventions that maximise mitigation benefits and improved resilience of cities and built infrastructure.

Premier C

Moderator Ms. Johann Elysee
Senior Portfolio Specialist
Green Climate Fund

Sub-session Climate Focused Urban Solutions in
Secondary Cities & Megacities

The discussion will focus on integrated urban planning, design and implementation, as well as access to climate finance for secondary cities and megacities. Panelists will present their experiences in accessing GCF resources for low emission urban development, including energy efficient buildings and transportation and share views on the GCF's strategy going forward.

Speakers Mr. Drazen Kucan
Urban Development and Energy Efficiency
Senior Specialist
Green Climate Fund

Dr. Batjargal Zamba
Special Envoy for Climate Change, Ministry of
Environment and Tourism
Mongolia

Mr. Jan-Willem van de Ven
Head of Climate Finance and Carbon Markets
European Bank for Reconstruction and
Development

Session 3-1-2 Livelihoods

This session will focus on the design of innovative, transformational interventions that address human health and wellbeing, food and agricultural supply chains and water security.

Premier A+B

Mr. Michael Roy
Project Development Consultant
Green Climate Fund

Sub-session Agriculture and Food Security

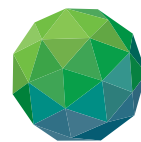

This discussion will focus on integrated planning, design and implementation for resilience of agriculture and food security. Panelists will present their experiences in accessing GCF resources and promoting resilient and low emission agriculture value chains and share views on the GCF's strategy going forward.

Ms. Janie Rioux
Agriculture and Food Security Senior Specialist
Green Climate Fund

Amb. Yvonne Hyde
Chief Executive Officer, Ministry of Economic
Development
Belize

Dr. Chu Van Chuong
Deputy Director General, International Cooperation
Department, Ministry of Agriculture and Rural
Development
Viet Nam

Margarita Astralaga
Director
International Fund for Agricultural Development

Sub-session Resilient Infrastructure

This discussion will focus on integrated planning, design and implementation of resilient critical infrastructures. Panelists will present their experiences in supporting critical infrastructure needs in developing countries and accessing GCF and share views on the GCF's strategy going forward.

- Speakers**
- Ms. Katarzyna Rzucidlo
Resilient Infrastructure Specialist
Green Climate Fund
 - Ms. Sultana Afroz
Additional Secretary and Chief of UN Wing of Economic Relations Division (ERD), Ministry of Finance
Bangladesh

Climate Information & Early Warning Systems

This discussion will focus on integrated planning, design and implementation of climate information and early warning systems (CIEWS). Panelists will present quantitative and qualitative tools for enhancement of CIEWS, decision support, and share their experiences on how to access GCF and share views on the GCF's strategy going forward.

- Mr. Joseph Instiful
Climate Information and Early Warning Systems Senior Specialist
Green Climate Fund
- H.E. Gilberto Correia Carvalho Silva
Minister of Agriculture and Environment
Cabo Verde
- Dr. Anthony Nyong
Senior Director of Climate Change and Green Growth
African Development Bank
- Ms. Melanie King
Manager
Secretariat of the Pacific Regional Environment Programme
- Dr. Juliao dos Reis
Secretary of State for Environment
Executive Secretary for NDA and Principal Adviser for the Secretary of State for Environment
Timor-Leste

10:30-11:00 **Coffee Break**

11:00-12:30 **Session 3-2: Marketplace**

**Marketplace 3-2-1
Built Environment**

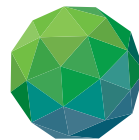

Four parallel groups to discuss 2-3 project ideas or concepts in each group. Two groups will focus on climate-focused urban solutions in secondary cities and megacities, and two groups will focus on resilient infrastructure. In each group, a country or entity representative will present the idea or concept, and exchange feedback from a GCF expert and other group members.

Premier C

**Marketplace 3-2-2
Livelihoods**

Four parallel groups to discuss 2-3 project ideas or concepts in each group. Two groups will focus on agriculture and food security, and two groups will focus on climate information and early warning systems. In each group, a country or entity representative will present the idea or concept, and exchange feedback from a GCF expert and other group members.

Premier A+B

12:30-13:30 **Lunch**

12:30-13:30

BY INVITATION ONLY

Side Meeting 3-2-3

#301

Lunch Meeting with Private Sector Entities Hosted by the GCF Executive Director

This lunch meeting with Private Sector Entities aims to explore measures to address challenges in developing and implementing approved projects to deliver impact and knowledge sharing.

Side Meeting 3-2-4

#116-118

GEF & GCF working lunch on coordinated engagement

This is a working lunch event designed for those countries engaged in the pilot initiative.

13:30-15:00 **Session 3-3: Parallel Sessions**

Session 3-3-1 Energy & Industry

This session will focus on the potential to drive paradigm shift toward decarbonization of the world's energy supply.

Premier A+B

Moderator Mr. Guilhem Pouillevet
Project Development Consultant
Green Climate Fund

Sub-session Energy Generation and Access

This discussion will focus on integrated planning, design implementation of projects that address energy generation and access. The panellists will present their innovative ideas in promoting renewable energy generation, in particular in mini grids and battery storage and share views on the GCF's strategy going forward.

Session 3-3-2 Water & Ecosystems

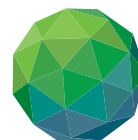

This session will focus on opportunities for crosscutting, landscape-based interventions with mitigation, adaptation, resilience and development benefits.

Premier C

Mr. Jacinto Buenfil
Project Development Consultant
Green Climate Fund

Ecosystem and Ecosystem Services

This session will focus on integrated planning, design and implementation for ecosystem services and ecosystems. The panellists will discuss innovations in promoting payments for ecosystem services and engaging the voluntary carbon market in the promotion of ecotourism, as well as management and restoration of wetlands and peatlands and share views on the GCF's strategy going forward.

Speakers

Mr. Pierre Telep
Renewable Energy Senior Specialist
Green Climate Fund

Mr. Fabiani Appavou
Senior Analyst, Ministry of Finance and
Economic Development
Mauritius

Dr. Anthony Nyong
Senior Director of Climate Change and
Green Growth
African Development Bank

Mr. Zhihong Zhang
Senior Program Coordinator
Climate Investment Funds

Mr. Patrick van Laake
Ecosystems Management Senior Specialist
Green Climate Fund

Mr. Sébastien Delahaye (tbc)
Portfolio Manager
International Union for Conservation of Nature

Ms. Chizuru Aoki
Lead Environmental Specialist
Global Environment Facility

Sub-session **Energy Efficiency**

This session will focus on integrated planning, design and implementation for energy efficiency projects. The panellists will speak to innovations in energy efficient cooling and share their experiences in accessing GCF resource and share views on the GCF's strategy going forward.

Speakers

Mr. Sabin Basnyat
Energy Efficiency Senior Specialist
Green Climate Fund

Mr. Jonathan Duwyn
Programme Officer
UN Environment

Mr. Philipp Munzinger (tbc)
Project Manager
Deutsche Gesellschaft für Internationale
Zusammenarbeit

Water Resources

This session will focus on integrated planning, design implementation for water projects. The panellists will share their experiences in promoting critical water security infrastructure and accessing GCF resources and share views on the GCF's strategy going forward.

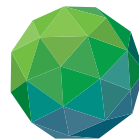

Mr. Alastair Morrison
Senior Water Specialist
Green Climate Fund

Mr. Clarence Samuel
Director, Office of Environmental Planning and
Policy Coordination
Marshall Islands

Mr. Timothée Ourbak
Climate Finance Expert
Agence Française de Développement

15:00-15:30

Coffee Break

15:30-17:00

Session 3-4: Marketplace

Marketplace 3-4-1 Energy & Industry

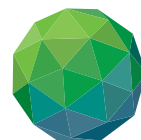

Four parallel groups to discuss 2-3 project ideas or concepts in each group. Three groups will focus on energy generation and access, and one group will focus on energy efficiency. In each group, a country or entity representative will present the idea or concept, and exchange feedback from a GCF expert and other group members.

Premier A+B

Marketplace 3-4-2 Water & Ecosystems

Four parallel groups to discuss 2-3 project ideas or concepts in each group. Two groups will focus on ecosystems and ecosystem services, and two groups will focus on water resources. In each group, a country or entity representative will present the idea or concept, and exchange feedback from a GCF expert and other group members.

Premier C

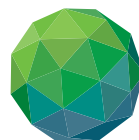

DAY 4

22 AUGUST 2019 – THURSDAY REGIONAL DIALOGUES

09:00-10:30 **Session 4-1: Plenary
Taking Stock**

The session will provide an overview of progress in the region, share key lessons learned and reflect on considerations for GCF programming in the region during the first replenishment period.

DAY 5

23 AUGUST 2019 – FRIDAY

IN FOCUS: SIDS & LDCs

09:00-10:30

SIDS Forum

Premier A+B

Session 5-1: Plenary - Learning by Doing

The session will discuss the experiences of SIDS with the GCF and lessons learned from the leadership of several SIDS countries and the rich experiences they have gathered from their early engagements.

Welcome Address Mr. Yannick Glemarec, Executive Director, Green Climate Fund

Overview of Engagement Ms. Jessica Jacob, Country Dialogue Specialist, Green Climate Fund
Ms. Lillian Macharia, Senior Programme Management Specialist, Green Climate Fund

Panel Discussion Chair - Dr. German Velasquez, Director of Mitigation and Adaptation, Green Climate Fund

Dr. Donnell Cain, Project Development Specialist, Caribbean Community Climate Change Centre
Mr. Kosi Latu, Director General, Secretariat of the Pacific Regional Environment Programme
Mr. Cameron Diver, Deputy Director, The Pacific Community
Mr. Fabiani Appavou, Senior Analyst, Ministry of Finance and Economic Development, Mauritius

10:30-11:00

Coffee Break

11:00-12:30

SIDS Forum

Premier A+B

Session 5-2: Plenary - Raising the Ambition of the GCF

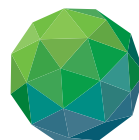

The session will focus on how the GCF can do better during its first replenishment to be more responsive to the specific circumstances and needs of the SIDS.

Panel Discussion Chair - Dr. Oyun Sanjaasuren, Director of External Affairs, Green Climate Fund

Mr. Wayne King, Director of Climate Change, Cook Islands
Amb. Yvonne Hyde, Chief Executive Officer, Ministry of Economic Development Belize
H.E. Wallace Cosgrow, Minister of Energy and Climate Change, Seychelles

Small table discussion to identify additional actions the GCF can take to recognize and support the special circumstances of SIDS

Closing Remarks Mr. Pa Ousman Jarju, Director of Country Programming, Green Climate Fund

12:30-13:30 Lunch & Networking

13:30-15:00 **LDC Forum** Session 5-3: Plenary - Building Momentum

Premier A+B

The session will review actions underway since the 2018 GCF Structured Dialogue to help LDCs build momentum to capitalise on opportunities during the GCF's first replenishment period.

Welcome Address Mr. Yannick Glemarec, Executive Director, Green Climate Fund

Overview of Engagement Mr. Olade Akakpo, Associate Professional, Green Climate Fund

Roundtables sessions facilitated by GCF staff discuss and register participants' inputs to enhance GCF work on these challenges, based on countries' experiences

15:00-15:30 Coffee Break

15:30-17:00 **LDC Forum** Session 5-4: Plenary - Low Emission and Resilient Growth

Premier A+B

The session will address themes that contribute to growth and development in LDCs such as low-emissions energy access and the mobilisation of private sector investments while also ensuring that their development is made resilient to the impacts of climate change.

Moderator Mr. Kabishi Tshilumba, Entity Relations Specialist, Green Climate Fund

Topics Opportunities to attract private sector investment in LDCs
Opportunities to develop energy, land use and adaptation initiatives in LDC countries

Closing Remarks Mr. Pa Ousman Jarju, Director of Country Programming, Green Climate Fund
