# Solutions and opportunities

## Scientific Priorities

- High cross-cutting potential
- Multiplicity of co-benefits
- FLU efficient for mitigation but must also increase adaptation
- Oceans and blue carbon
- Methane, peatlands, fires

## Political Priorities

- Landscape Restoration
- Coastal & marine ecosystems
- Forest/ecosystem conservation
- Deforestation-free commodities
- Market creation
- Diversify financial instruments

Forests and Land Use  
Ecosystems & Ecosystem Services

# Themes

	Paradigm-shifting pathways				
Themes	EbM coastal & marine ecosystems	EbM terrestrial & freshwater ecosystems	Restoration	Conservation	Sustainable management
Peatlands, wetlands, mangroves	X	X	X	X	X
Indigenous Peoples		X		X	X
Resilient Mountains		X	X	X	X
Deforestation-free supply chains	X	X			X
Ecosystem Restoration	X	X	X		
Oceans – Blue Carbon	X		X	X	X
Integrated landscapes mgt		X			X
Private forest investments		X	X	X	X
Large-scale conservation	X	X		X	
Bioeconomy	X	X	X	X	X
Resilient infrastructure	X		X	X	X
Biodiversity, wildlife & health	X	X		X	

# Deforestation-free supply chains

*Existing initiatives*

*Transformational planning/programming*

EUDR, US Forest Act  
UK Environment Act  
GIZ Indonesia

- Help align consumer and producer market regulations
- Promote certification

*Catalyzing climate innovation*

FP137 (Ghana)  
SAP015 (Cote d'Ivoire)

- Design & pilot sustainable supply chain models
- Align models with regulations

*Mobilizing financing at scale*

&GreenFund,  
TLFF, FACT Dialogue

- Establish global/regional impact funds
- Crowd in private finance at scale

*Aligning finance w/ sustainable dvpt*

- Enhance leverage capacity of domestic financial institutions through e.g., green agriculture bonds

*Instrument*

**Grants (incl. readiness)**

**Grants**

**Loans, equity, guarantees**

**Loans, equity**

*Partners*

Producer & consumer countries, existing & potential AEs, think tanks

Private early movers, GEF, think tanks, public AEs

Institutional investors, UNEP-FI, private AEs

Domestic financial institutions (PDBs, private banks)
