KOREA GLOBAL ADAPTATION WEEK

SONGDO CONVENIA, REPUBLIC OF KOREA | 9 APRIL 2019

Status & good practices in accessing GCF support for adaptation planning

Mr. Jason Spensley

Senior Specialist for Adaptation Planning & PPF

THE PROGRAMMING CYCLE

ADAPTATION PLANNING PROCESSES

STATUS OF SUPPORT

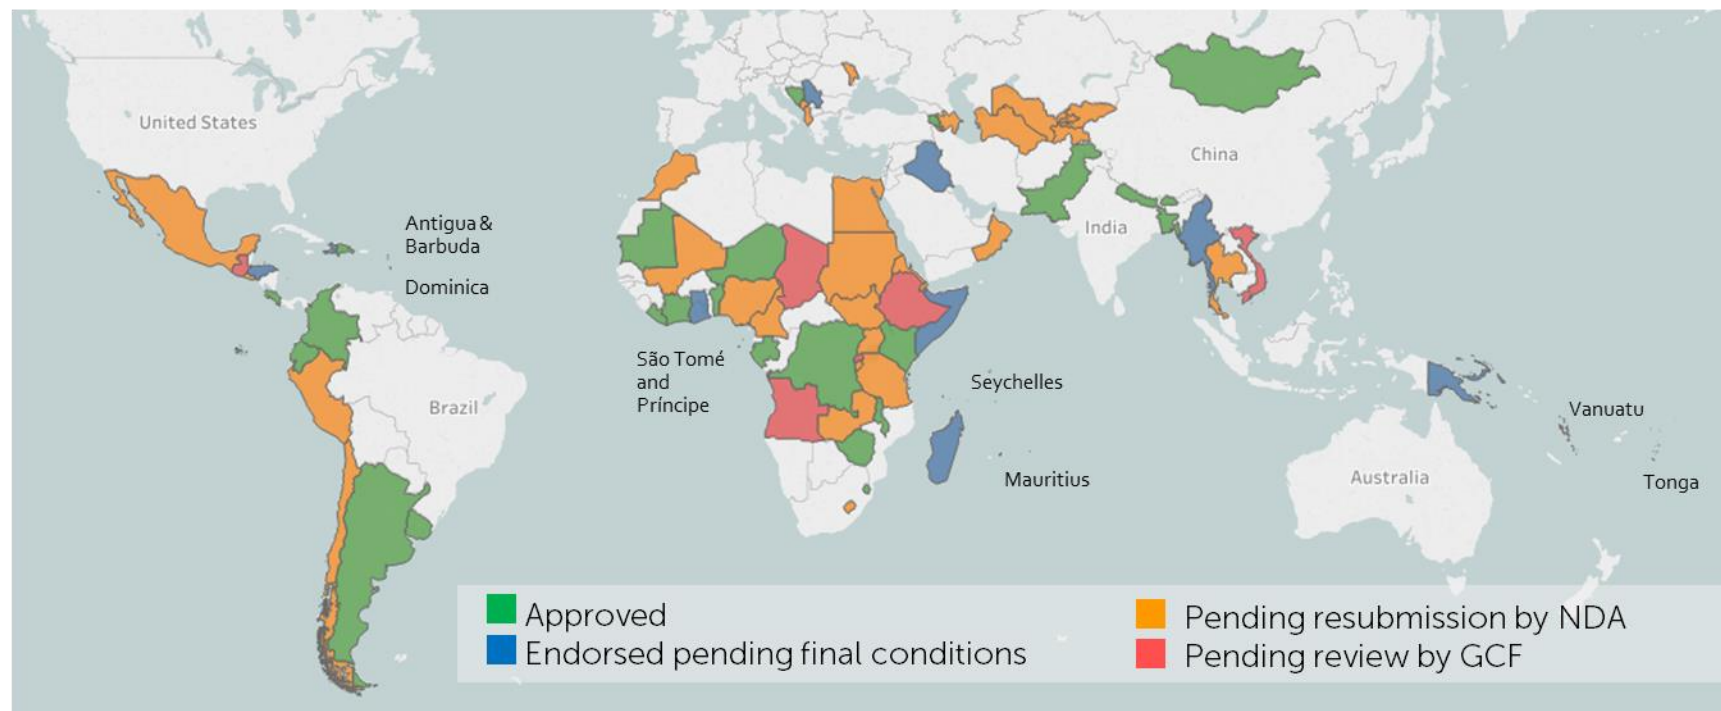

65%

of approved proposals
are for LDC, SIDS &
countries in Africa

34%

of approved proposals
are for LDCs

As of	# of submitted proposals	USD value	# of approved + endorsed proposals	USD value
8 April 2019	75	USD 189 M	35 (26 + 9)	USD 91 M
1 January 2018	40	USD 122 M	8 (3 + 5)	USD 22 M

ADAPTATION PLANNING

AN OPPORTUNITY TO CATALYZE STRENGTHEN ADAPTATION IMPACT & FINANCE

Outcome 1

Adaptation planning governance & institutional coordination

Coordination & decision-making mechanisms (24/26)

Stakeholder engagement (24/26)

Adaptation impact monitoring & evaluation systems (22/26)

National, sub-national and/or sectoral plans (26/26)

Outcome 2

Evidence basis produced to design adaptation solutions

Climate impact, vulnerability and risk studies (24/26)

Platforms for using climate studies (18/26)

Communication of climate studies to decision-makers (15/26)

Climate Science Basis

1) Scientific underpinning for evidence-based climate action

Adaptation

2a) Climate impacts the project/programme aims to address

2b) Vulnerabilities, exposure and hazards resulting in risks

3) Selected interventions based on options analysis

4) Integration to broader domestic and international policy and decision-making processes

ADAPTATION PLANNING

AN OPPORTUNITY TO CATALYZE STRENGTHEN ADAPTATION IMPACT & FINANCE

Outcome 3

Private sector engagement

Policy guidelines or regulations to incentivize adaptation investment (20/26)

Private sector actors engaged in adaptation planning (20/26)

Climate resilience businesses & supply chains (8/26)

Development of loan products for financing adaptation & insurance (0/26)

Identifying & matching private financiers with investment-ready adaptation solutions (4/26)

Outcome 4

Adaptation finance increased

Financing strategies (26/26)

Project concept notes (23/26)

Systems for prioritizing adaptation projects (22/26)

Systems for tracking adaptation finance (15/26)

ADAPTATION PLANNING GOOD PRACTICES & REVIEW CRITERIA

1. Focus strategically within a national vision

2. Address specific climate impacts & vulnerabilities

3. Develop financing strategy for each adaptation priority

4. Articulate theory of change

5. Avoid duplication of effort

6. Engage stakeholders proactively

7. Build gender considerations

8. Cultivate private sector investment

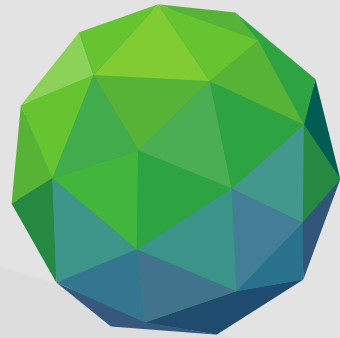

9. Monitor & report systematically

10. Coherence & complementarity with other funds
