## VISA

### K-ETA

Participants from eligible visa-exempt countries may obtain a short-term Korea Electronic Travel Authorization (K-ETA) instead of a visa for attendance at B.44. However, visa fee exemption, applicable to those indicated in the table below, cannot be applied through the K-ETA process. **Please note: If you have already applied for and been granted a K-ETA for previous meetings in 2025, you may wish to check if that K-ETA is still valid before applying for another.**

Further information about eligibility and the online application are available at: <https://www.k-eta.go.kr/portal/apply/index.do>.

## GENERAL INFORMATION

***GCF is moving to eliminate the use of disposable plastic water bottles at Board meetings. We encourage all participants to bring their own reusable bottles.***

### Time zone

Korea Standard Time is 9 hours ahead of Coordinated Universal Time (UTC+9).

### Weather

The Republic of Korea has a continental climate with four distinct seasons. Temperatures in March typically range from about -1°C to 10°C. Air pollution levels may be slightly above average.

**Dress code**

The dress code for the event is smart casual.

**Language**

All meetings will be conducted in English.

**Currency**

The Republic of Korea unit of currency is the Korean won (KRW).

**Electricity**

The standard voltage in the Republic of Korea is 220 volts. The outlet is the same type used in continental Europe and many other countries.

**Emergency telephone numbers**

Ambulance	119
Fire	119
Police	112

**Getting around**

Taxis are safe and convenient, and they can be hired at a taxi rank, hailed on the street, or called using the Kakao Taxi app (with payment possible within the app).

There are two types of taxis: regular grey, white or orange, and deluxe black. Black taxis are generally more comfortable, though they are more expensive. Metered fares are strictly applied in cities. However, there have been isolated reports of taxi drivers tampering with the meter when conveying foreign passengers.

Korea's metro and bus networks are extensive, safe, and clearly signed in English. They are usually the fastest way to move around major cities (Seoul-Incheon-Gyeonggi, Busan, Daegu, etc.). To use them, purchase a rechargeable T-money card at metro station machines/offices or convenience stores (e.g. CU, GS25, 7-Eleven), top it up there, and tap in and out at metro gates and on bus card readers.

Travellers are advised to have the destination name written in Korean for convenience. The Korean addresses for GCF Headquarters and the IBS Tower are provided below:

- GCF Headquarters: 인천광역시 연수구 아트센터대로 175, G타워 (우편번호 22004).
- IBS Tower: 인천광역시 연수구 센트럴로 263, IBS타워 (우편번호 22006).

**Insurance**

The organizers cannot accept liability for personal accident, loss, or damage to private property, which may be incurred during travel for the meetings. Participants are advised to arrange appropriate insurance coverage prior to their travel.
