GENERAL INFORMATION

Time Difference

Korean Standard Time is nine hours ahead of Coordinated Universal Time (UTC+9).

Weather

Korea is renowned for its four distinct seasons.

At the time of the 19th Board Meeting, the average temperature will range from -5°C (23°F) to 5°C (41°F).

Currency

The unit of the Korean currency is the Korean Won (KRW).

Foreign bank notes and traveler's checks can be converted into the Korean Won at foreign exchange banks and other authorized money exchange outlets. The exchange rate is subject to market fluctuations. As of February 2018, USD 1 is approximately KRW1,071.

ATM and currency exchange banks are also available at G-Tower.

Electricity

The standard voltage in Korea is 220 volts. The outlet is the same type used in continental Europe and many other countries.

Mobile Phone Rental

You may rent a mobile phone at Incheon International Airport. Users can rent a handset, and pay rental and call charges upon returning the phone. Applicants are required to provide identification, a credit card and a service contract. For more information, please visit the website of each service provider.
