Evaluation Capacity Needs Assessment Exercise:

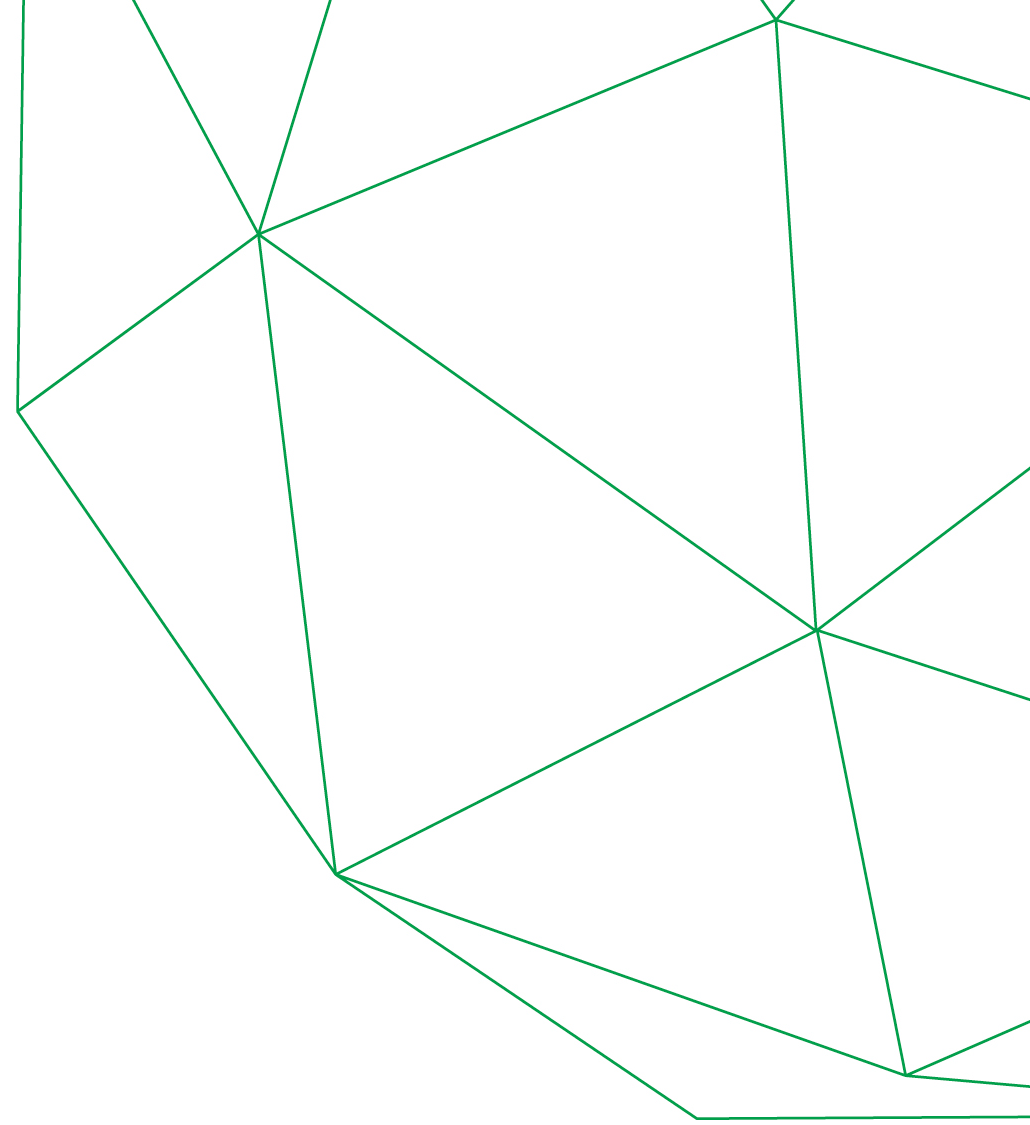

Capacity Building, Advisory Services and
Policy (CAP) Workstream

Daisuke Horikoshi

Principal Evaluation Officer, Independent Evaluation Unit

Rabat, Kingdom of Morocco

24–28 June 2024

Evaluation Scope & Methodology

Document Review

- **GCF evaluation policy:**
 - Analyzed GCF's evaluation policy and the expectations from DAEs for interim and final evaluations
- **Approved funding proposals:**
 - Reviewed proposals of DAEs to understand the types of projects/programmes and the results indicators they need to deliver and evaluate
- **Training materials developed by the GCF Capacity Building (CAP) team**

Key Informant Interviews

- **Interview scope:**
 - DAE interviews (20)
 - Secretariat interviews (2)
- **Interview methods:**
 - Interviews conducted via Microsoft Teams
 - Using audio only for informants with bandwidth limitations

Key Findings

Approach to Evaluations

- DAEs struggle with **distinguishing Monitoring from Evaluation**.
- **‘Basics of evaluation training’** requested; current training seen as too generic and academic.
- For banks, project evaluations often outsourced.
- **Evaluations as a learning exercise** is preferred.
- Need to understand GCF's perspective on evaluations.

Delivery Format

- **Multilayered training approach** recommended
- Digital platforms for trainings on demand requested.
- Group training participants by **knowledge level** and organization type.
- Incorporate **Training of Trainers (ToT)** format.
- Use **lingua franca** to improve training absorption.

Areas of Focus

- Mixed preference on outsourcing vs. hybrid; need training in **development of ToRs**.
- Institutionalization of evaluation in the medium/long term.
- Keen interest in **converting analysis into institutional knowledge**.
- Demands on data analysis tools, nuances in the analysis, case studies.

Thank you
