

Dear Sir / Madam,

We have gone through the attached documents "GCF Strategic Plan". We are fine with the detailing of the Strategic Programming for the Green Climate Fund First Replenishment and the sectors identified.

Warm Regards,

Pankaj K. Verma

Environment Risk Specialist

Wholesale Banking Risk

Annex

Guiding Areas for Inputs

- Strengthening country ownership and integrating efforts to meet country-specific needs, requirements, and circumstances;
- Enhancing accessibility and inclusiveness on the frontlines of country and partner engagement;
- Motivating and supporting country-driven and paradigm-shifting actions to drive towards low-emission and climate-resilient development pathways;
- Sustaining support for countries to invest in knowledge, institutional and human capacity development;
- Supporting capacity development of national institutions for climate change adaptation and mitigation project pipeline development and successful implementation of funded activities;
- Motivating and supporting transformation toward sustainable financial systems;
- Pursuit of ambitious results, greater impacts and fundamental transformation in order to significantly contribute to the achievement of 1.5°C goal and close the Greenhouse Gas (GHG) emission gap by 2030; and
- Ambitious resource mobilization through the Fund's First Formal Replenishment.
