Subject:
Request for input to the Strategic Plan of the Green Climate Fund

Dear Mr Glemarec,

We would like to thank you for your letter (DCP/OED/2019/155.2) notifying us about recent developments of the Green Climate Fund and its first replenishment process.

Considering that we are still at an early stage as Accredited Entity and in the process of formulating our own strategic direction with the GCF we shall, on this occasion, not make use of the opportunity to provide written input to the GCF Strategic Plan.

We are also in the process of developing our Entity Work Programme. It is our aim to submit a Work Programme of the highest quality which is responsive to real needs on the ground and enjoys strong ownership of our partners. This requires some time. Therefore, we will submit our Entity Work Programme as soon as possible at a later stage.

In the meantime we stay committed and look forward to a fruitful cooperation between ADA and the GCF.

Yours sincerely

Austrian Development Agency

Dr. Martin Ledolter LL.M.

Managing Director
