

## Office of the Executive Director

*The Office of the Executive Director is responsible for overall management of the Secretariat. This includes strategic leadership and direction-setting in policy and planning; oversight of operations, programming, and partnership development.*

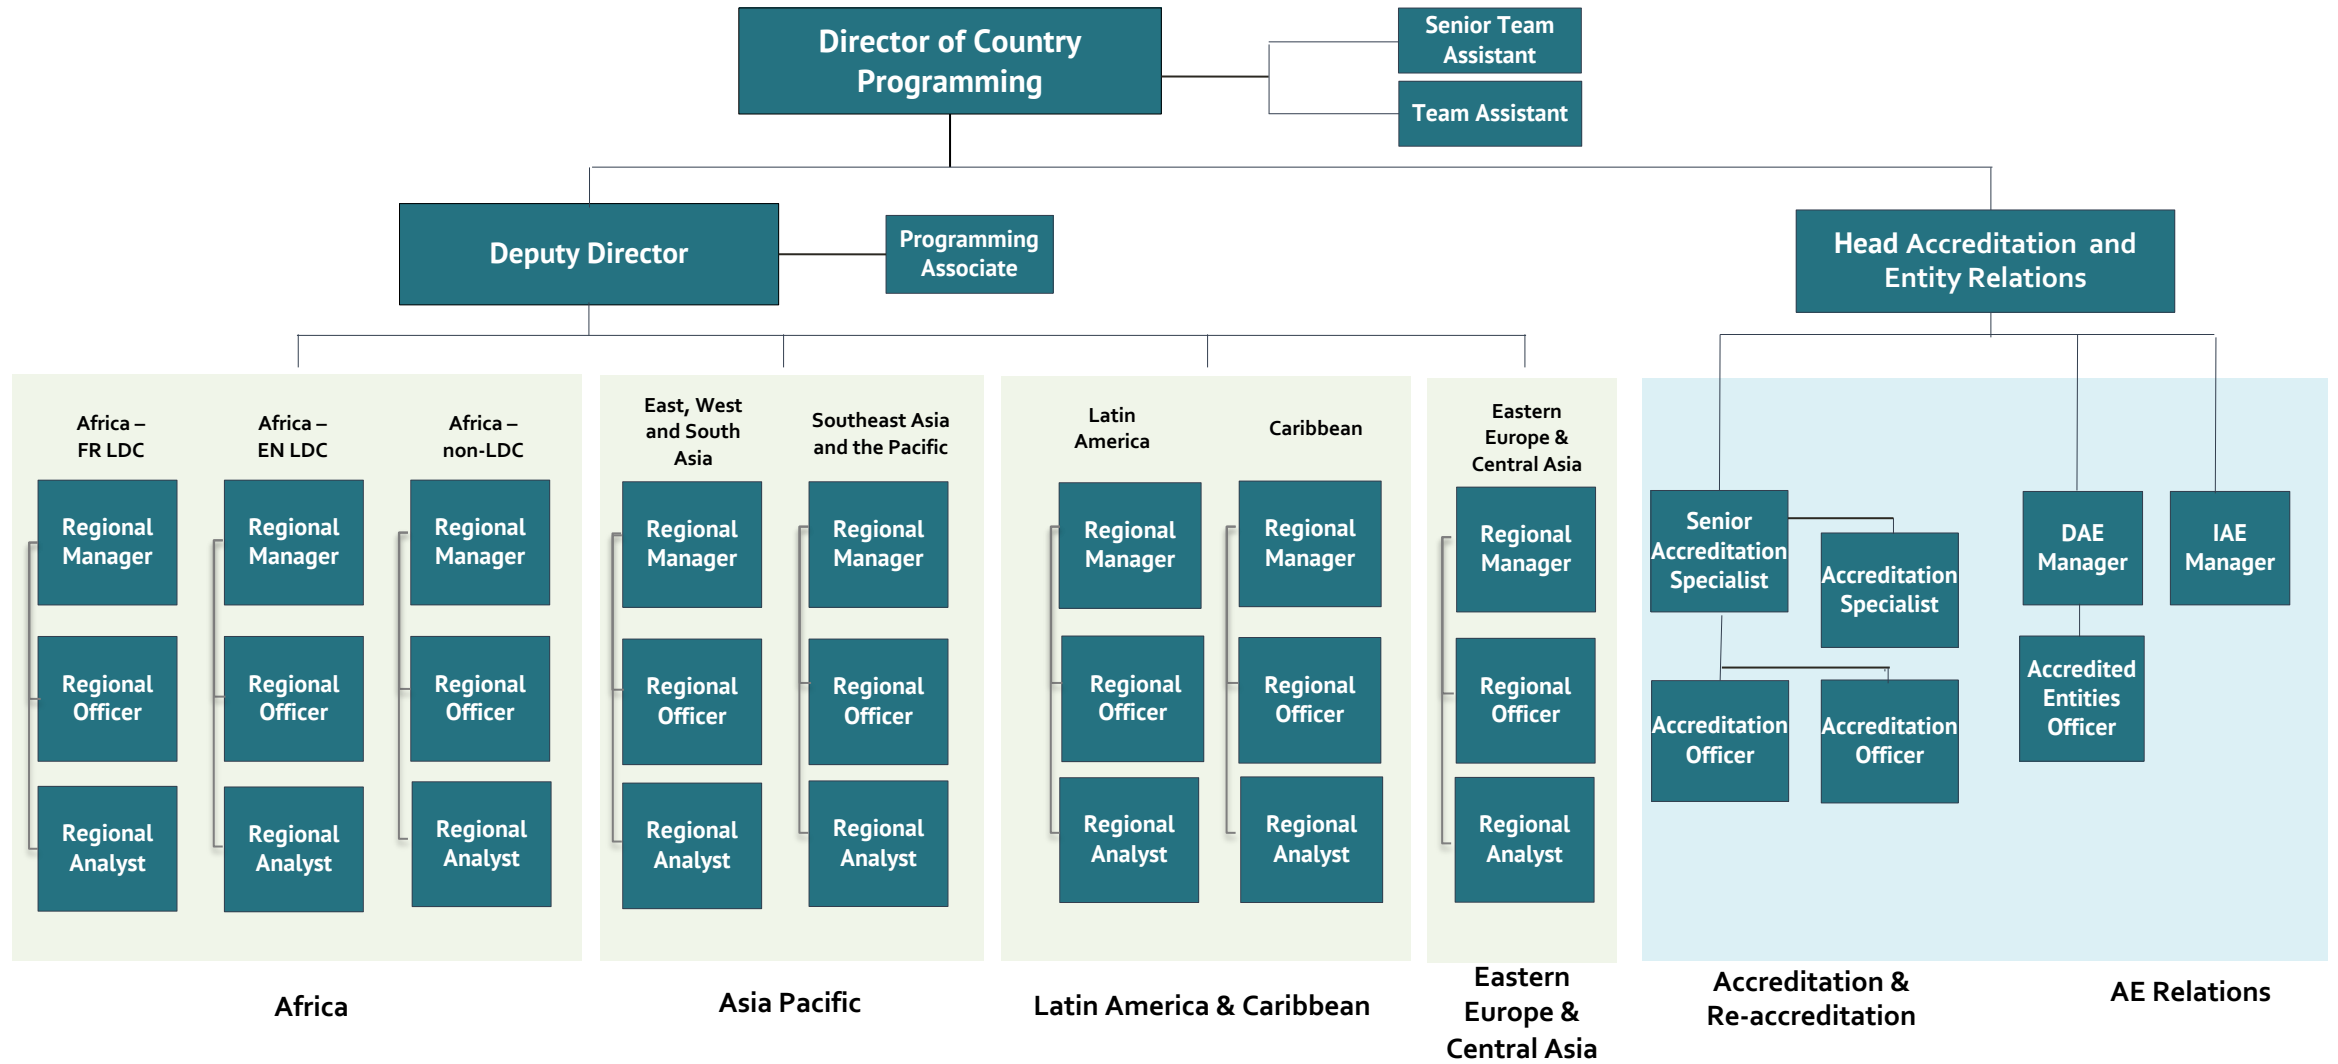

## Division of Country Programming

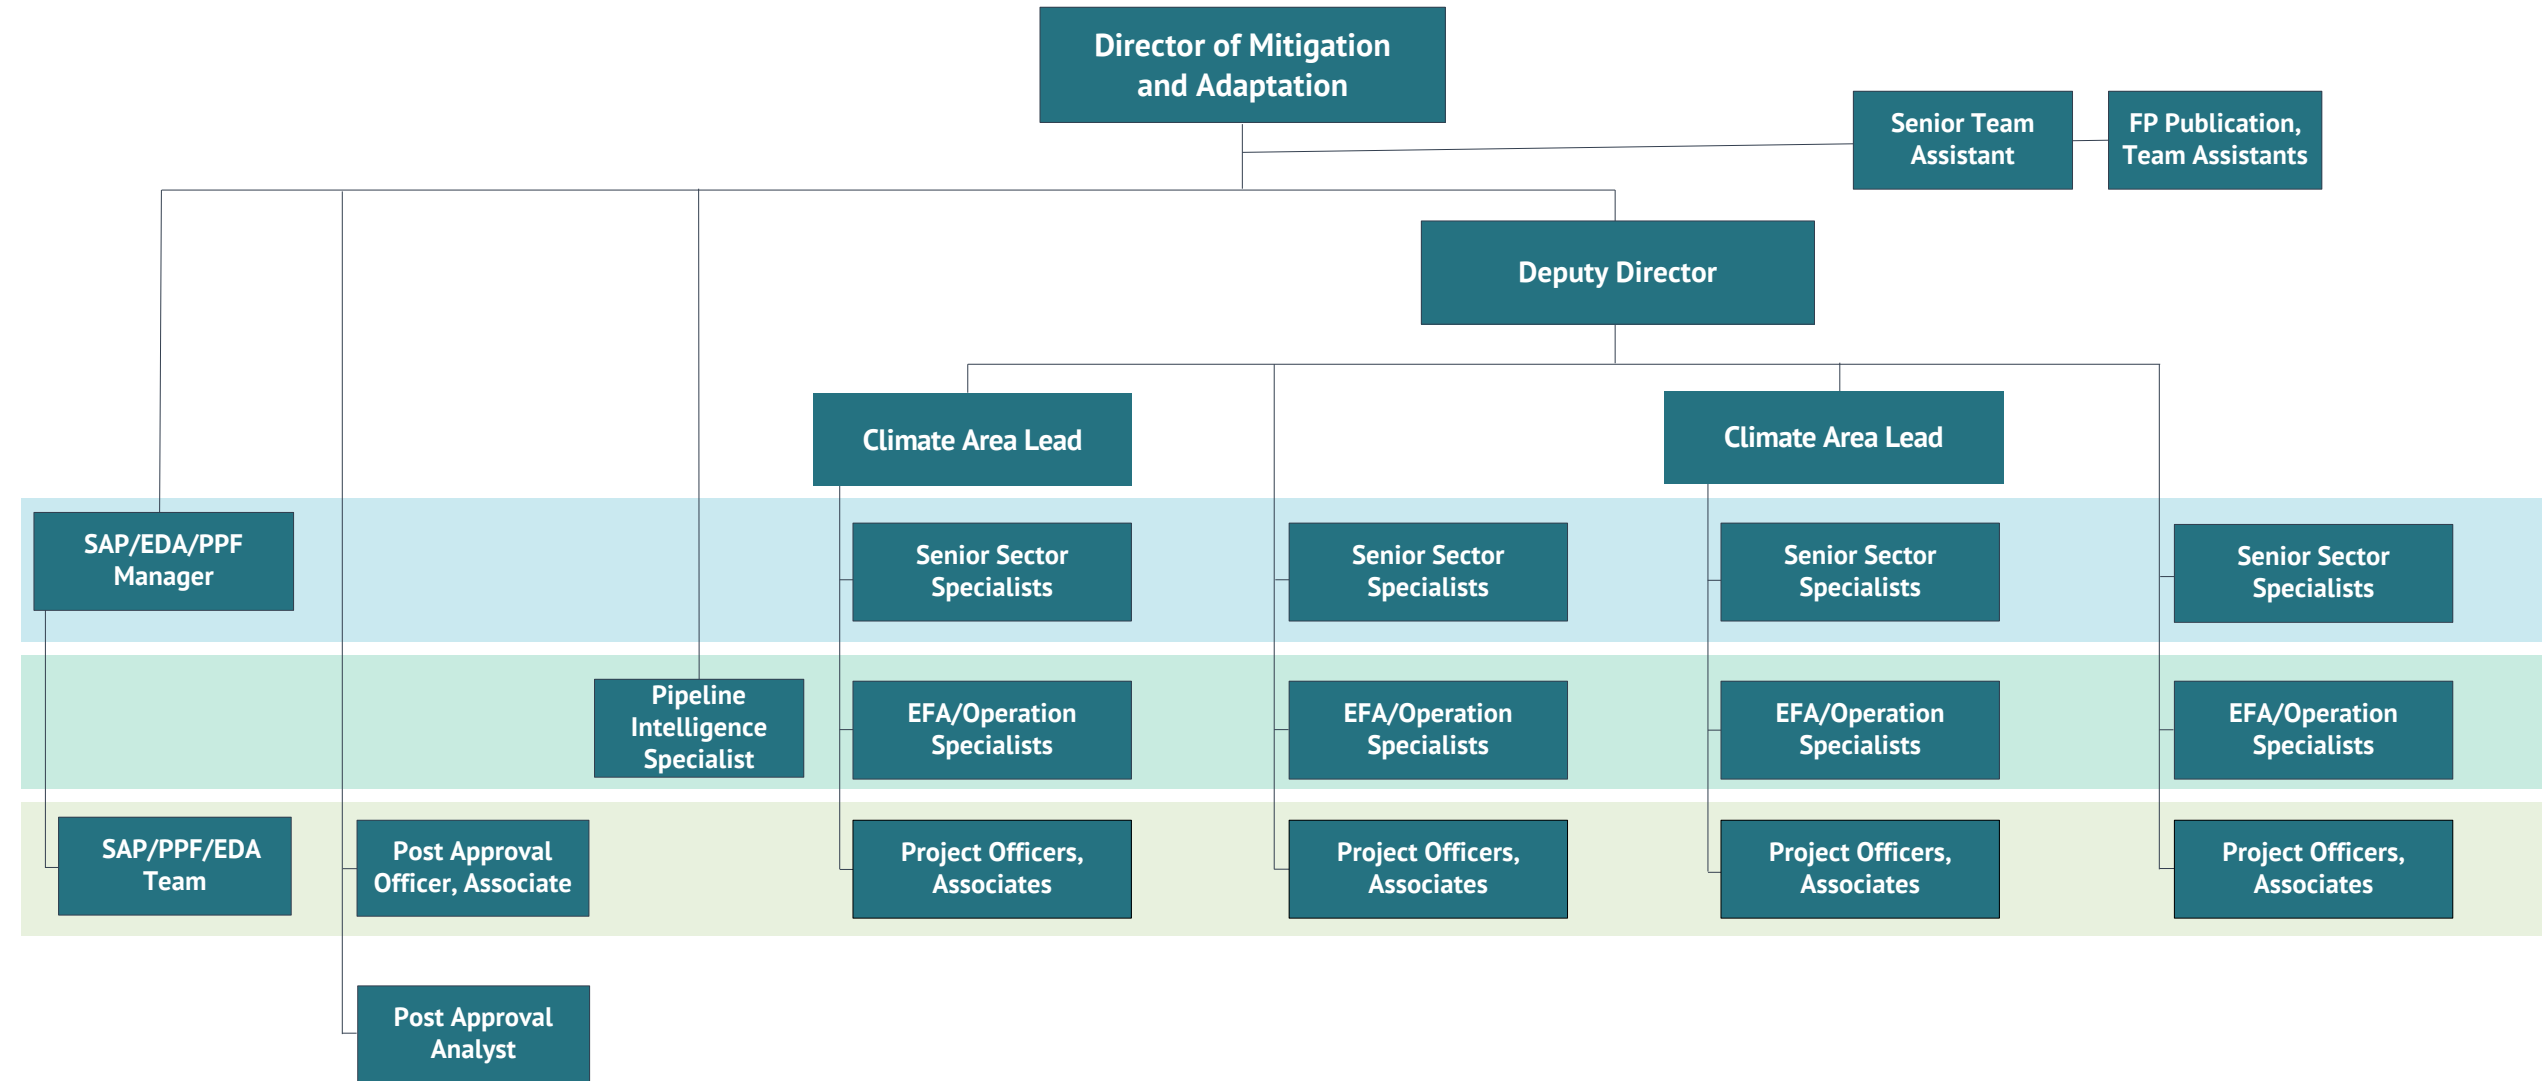

The Division of Country Programming's mission is to support developing countries, including their direct access entities, to plan, identify, design and implement country-driven, transformational climate investments. Is also responsible for the accreditation of new entities both at international and national level.

### Division of Mitigation and Adaptation

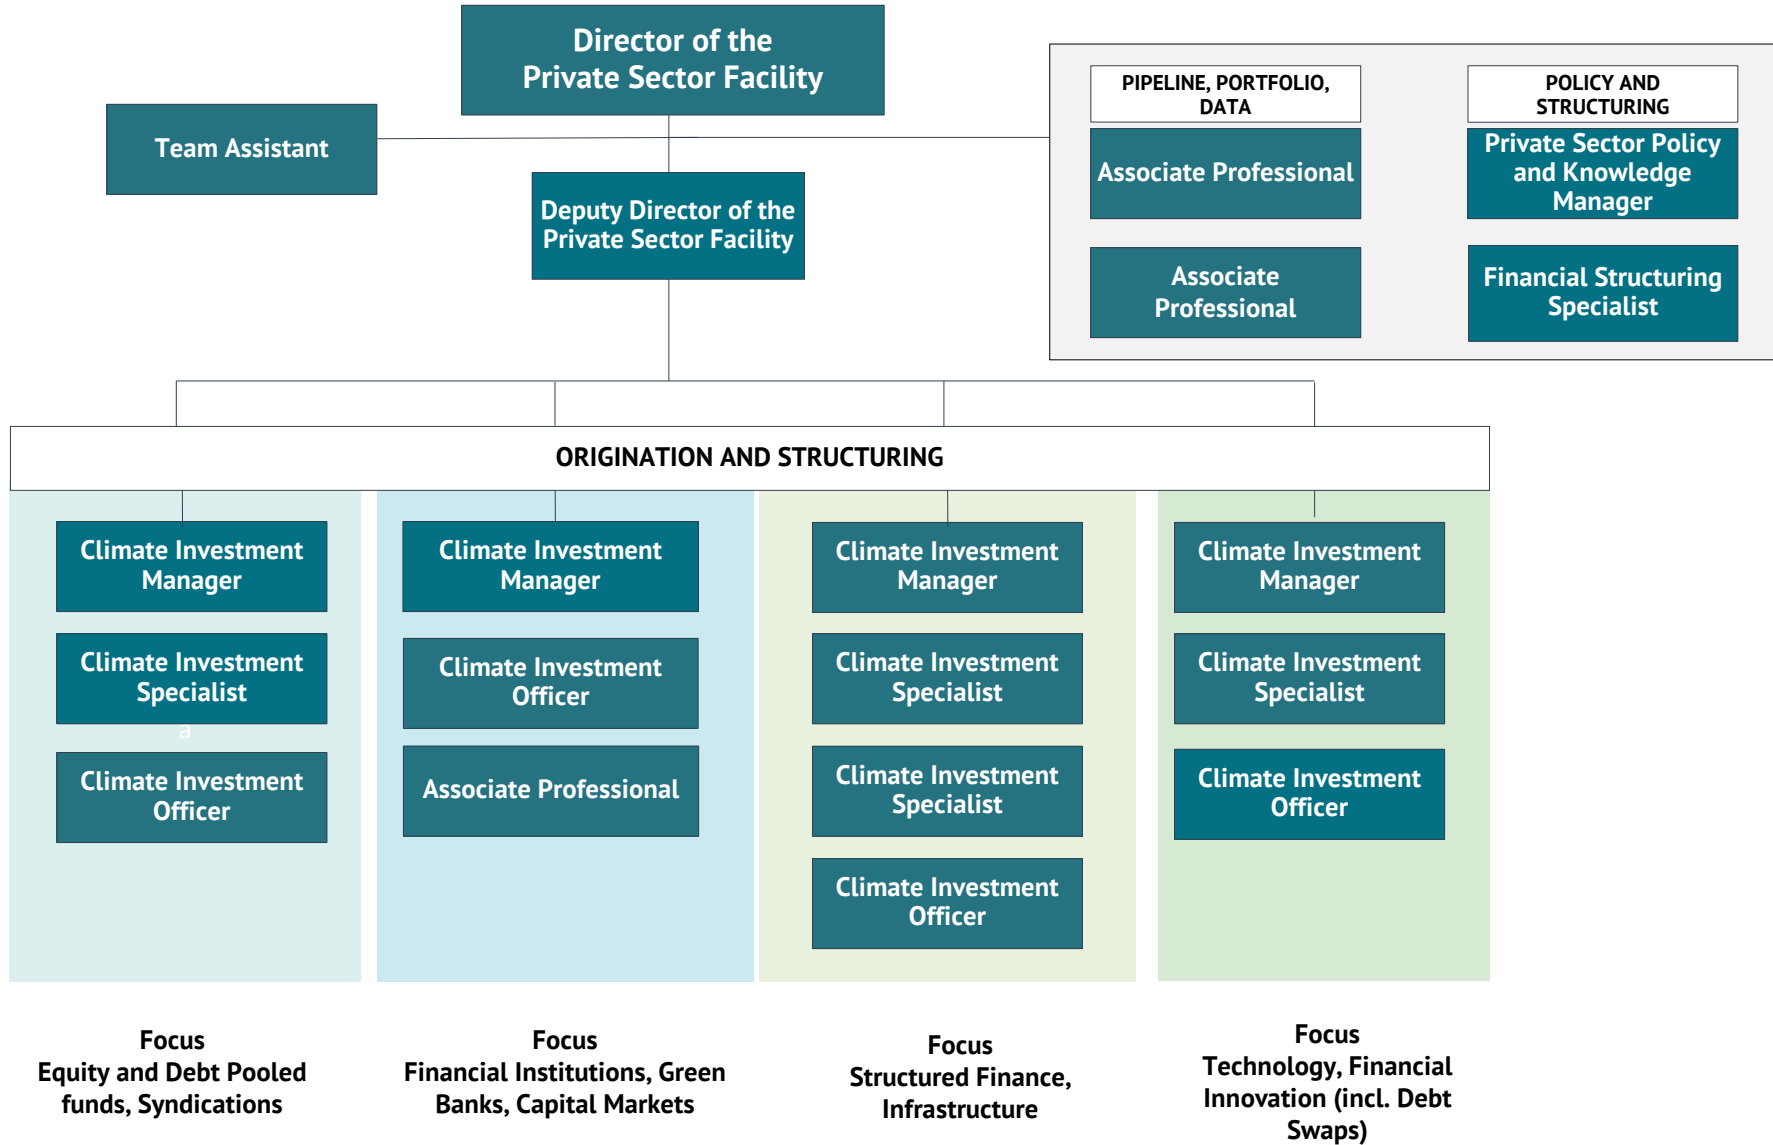

The Division of Mitigation and Adaptation provides technical expertise across all eight mitigation and adaptation results areas for both public and private sector CNs and funding proposals. The Division also leads the preparation and review of public sector CNs and funding proposals. It assists NDAs and AEs in the development and structuring of projects and plays a critical role in finalizing the FAAs following project approval to enable projects to start implementation. In addition, DMA is responsible for managing the GCF REDD-plus results-based payments pilot programme. Finally, it carries out technical reviews of and provides input for PPF applications and draft country and entity work programmes.

## Division of Private Sector Facility

The Private Sector Facility's mission is to engage the local and international private sector to support climate change mitigation and adaptation projects in developing countries. Its role is to fund highly transformative projects and mobilize private and institutional investment to de-risk and support climate change action.

**Division of Portfolio Management**

*The Division of Portfolio Management ensures timely delivery of projects/programs and that GCF learns from experience to deliver sustainable results through early warning systems, adaptive management approaches, promoting results and knowledge management as well as learning to improve project impacts in line with GCF objectives.*

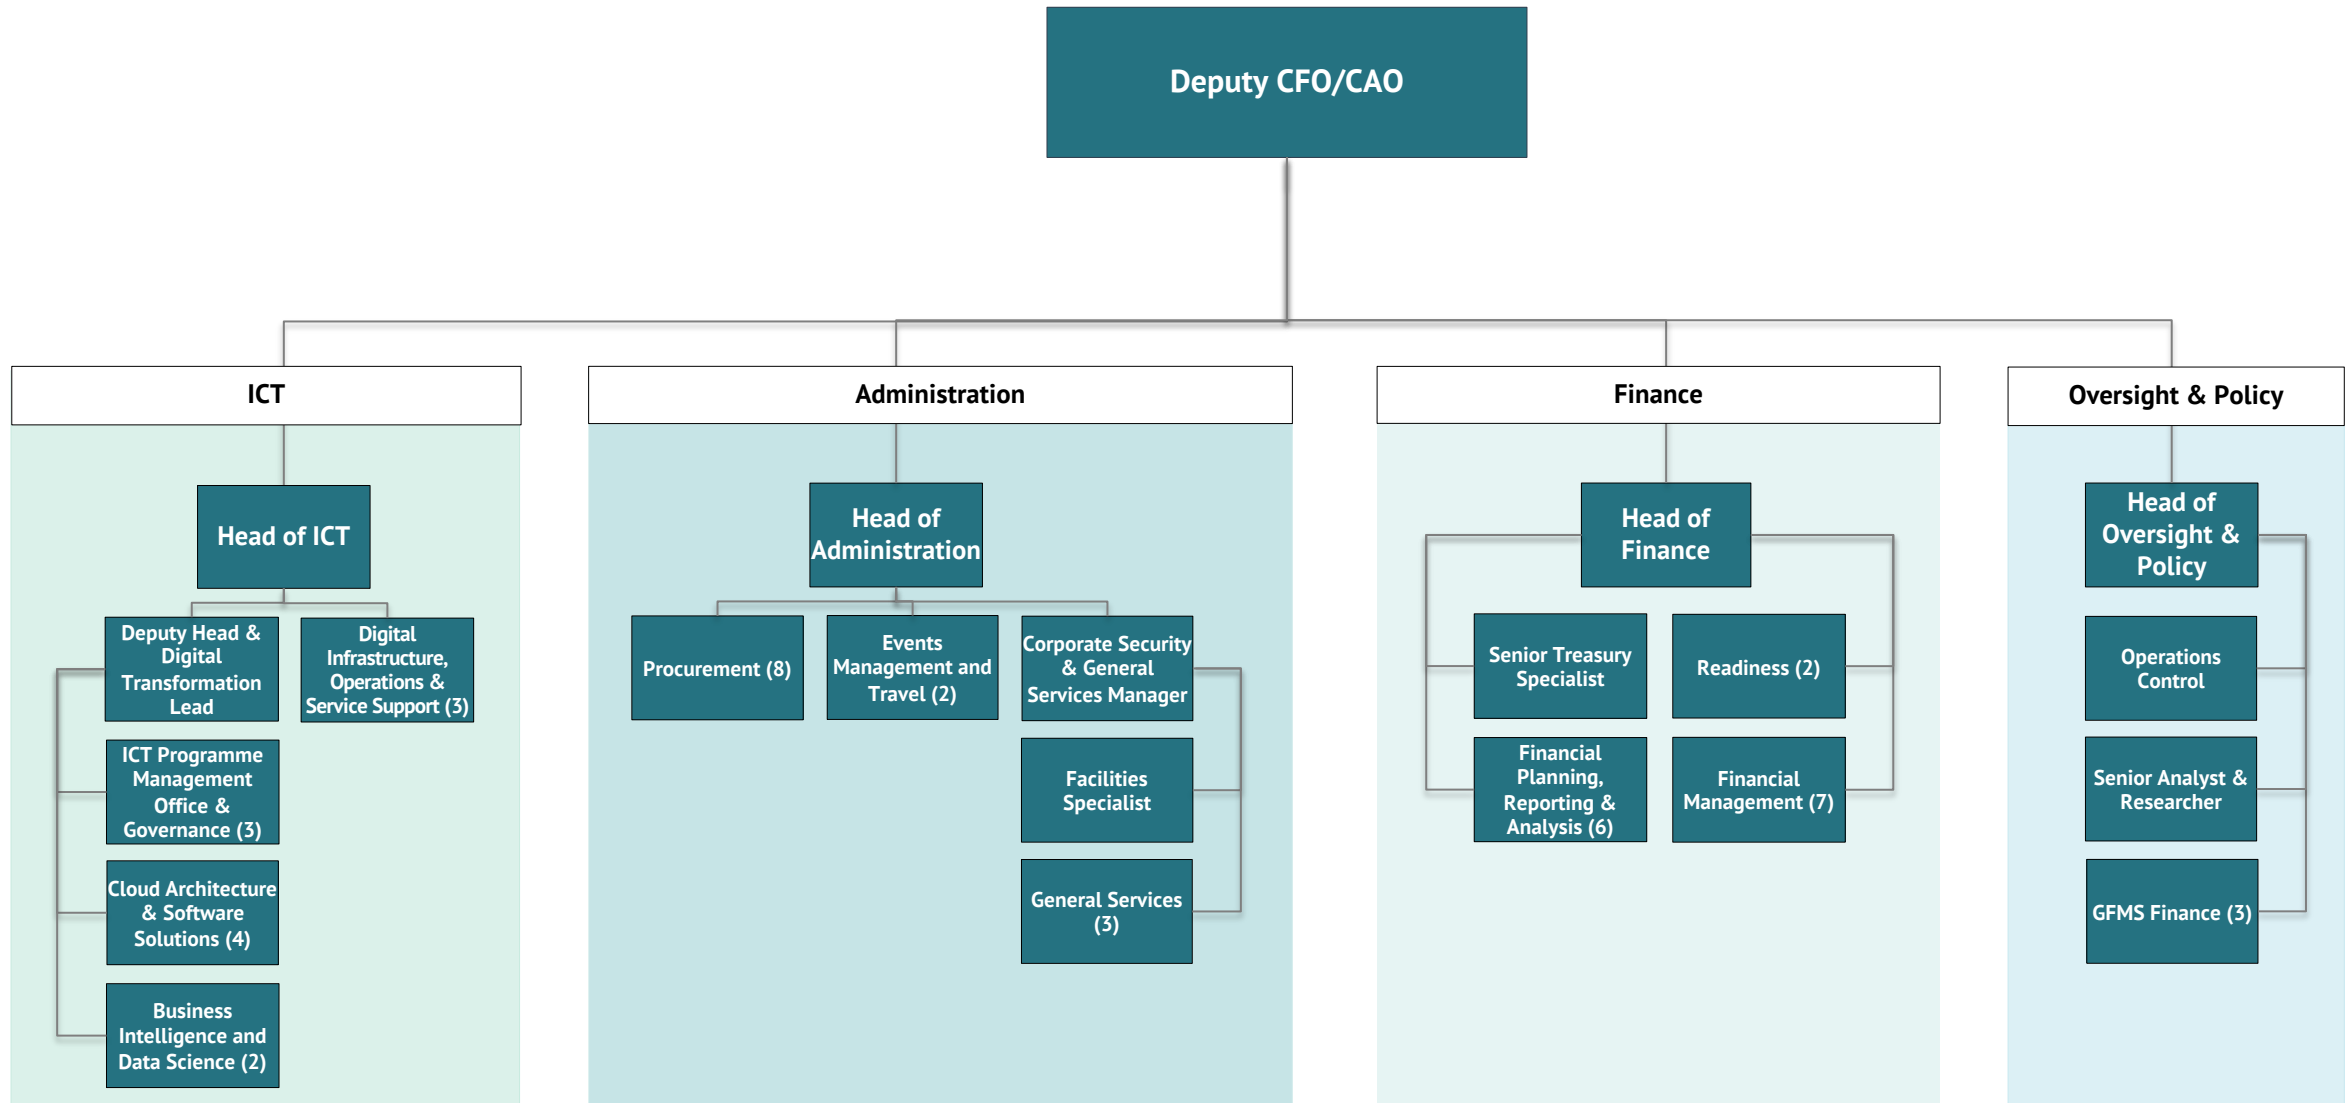

## Division of Support Services

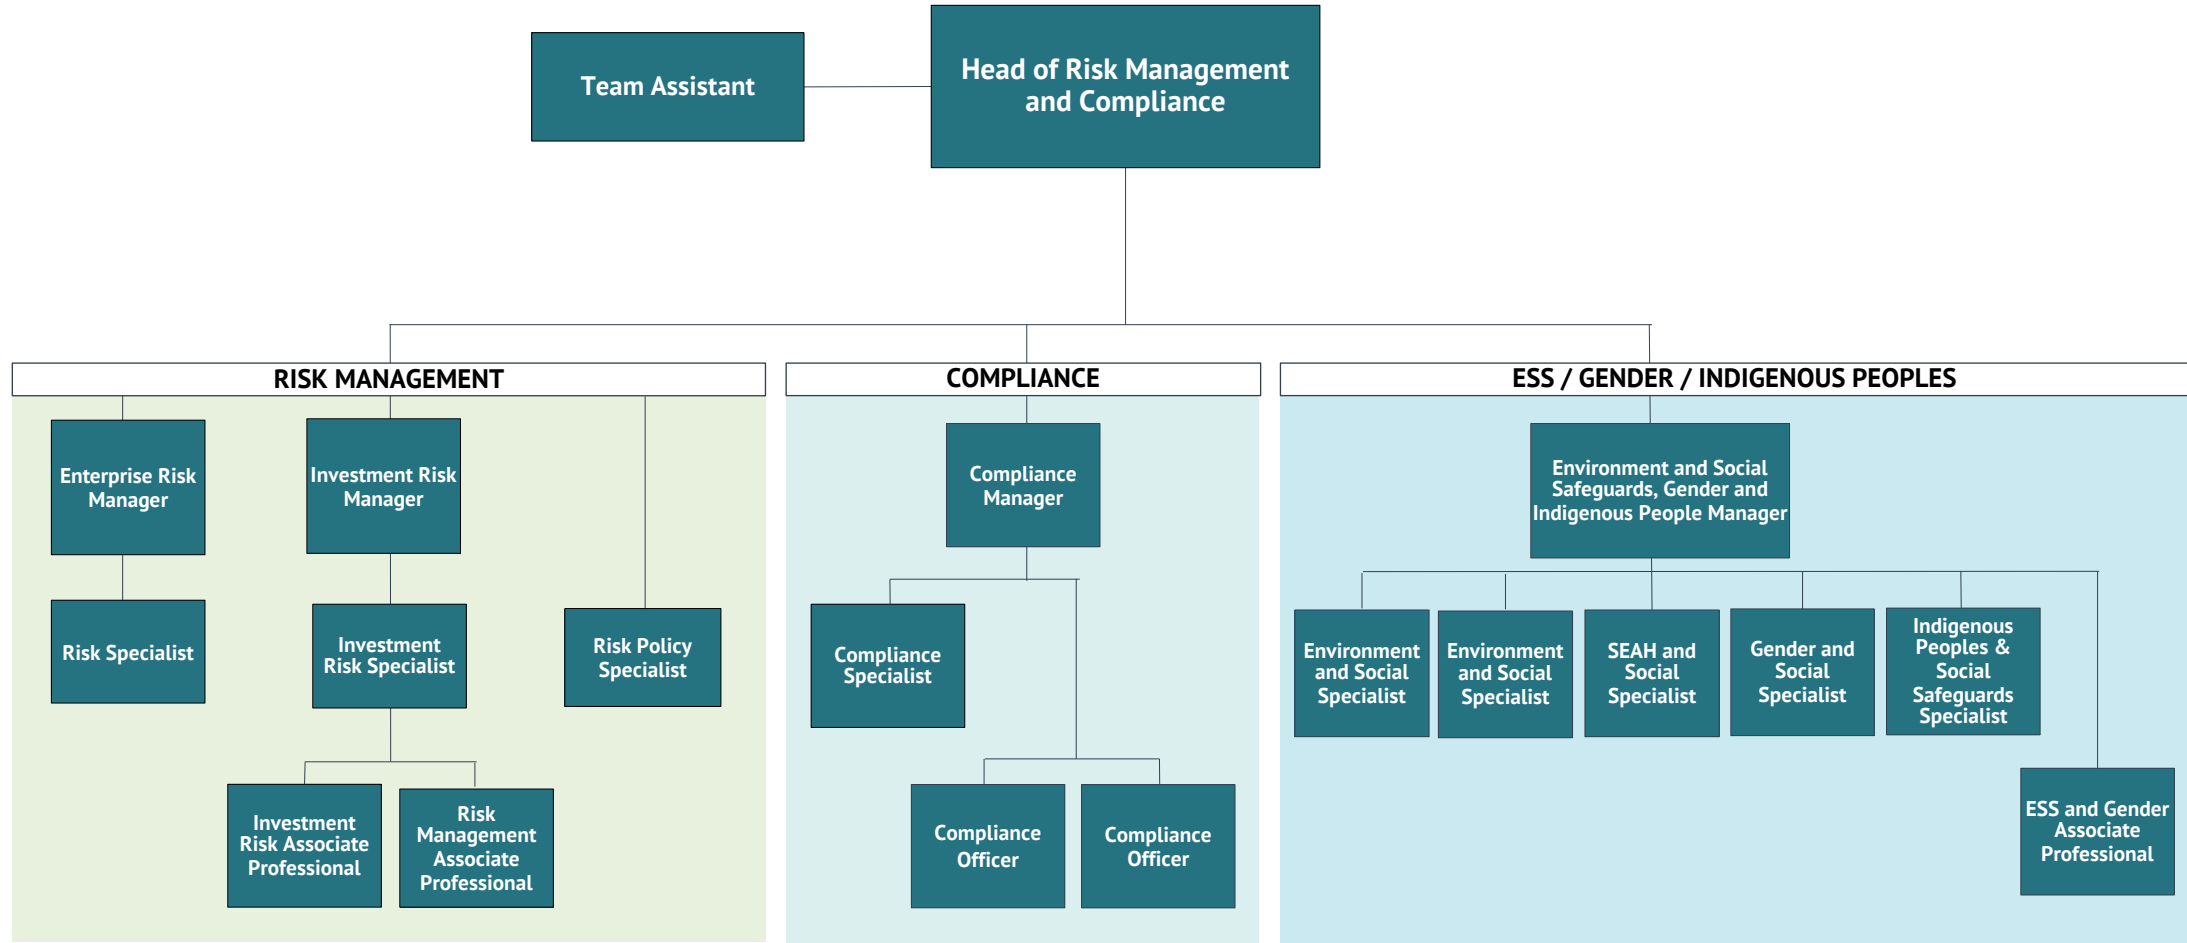

The Division of Support Services provides a range of corporate services that are critical to enabling the GCF to carry out its daily activities with efficiency and financial integrity, including financial management, event and travel management, administration, ICT, procurement, and the treasury function.

## Office of Risk Management and Compliance

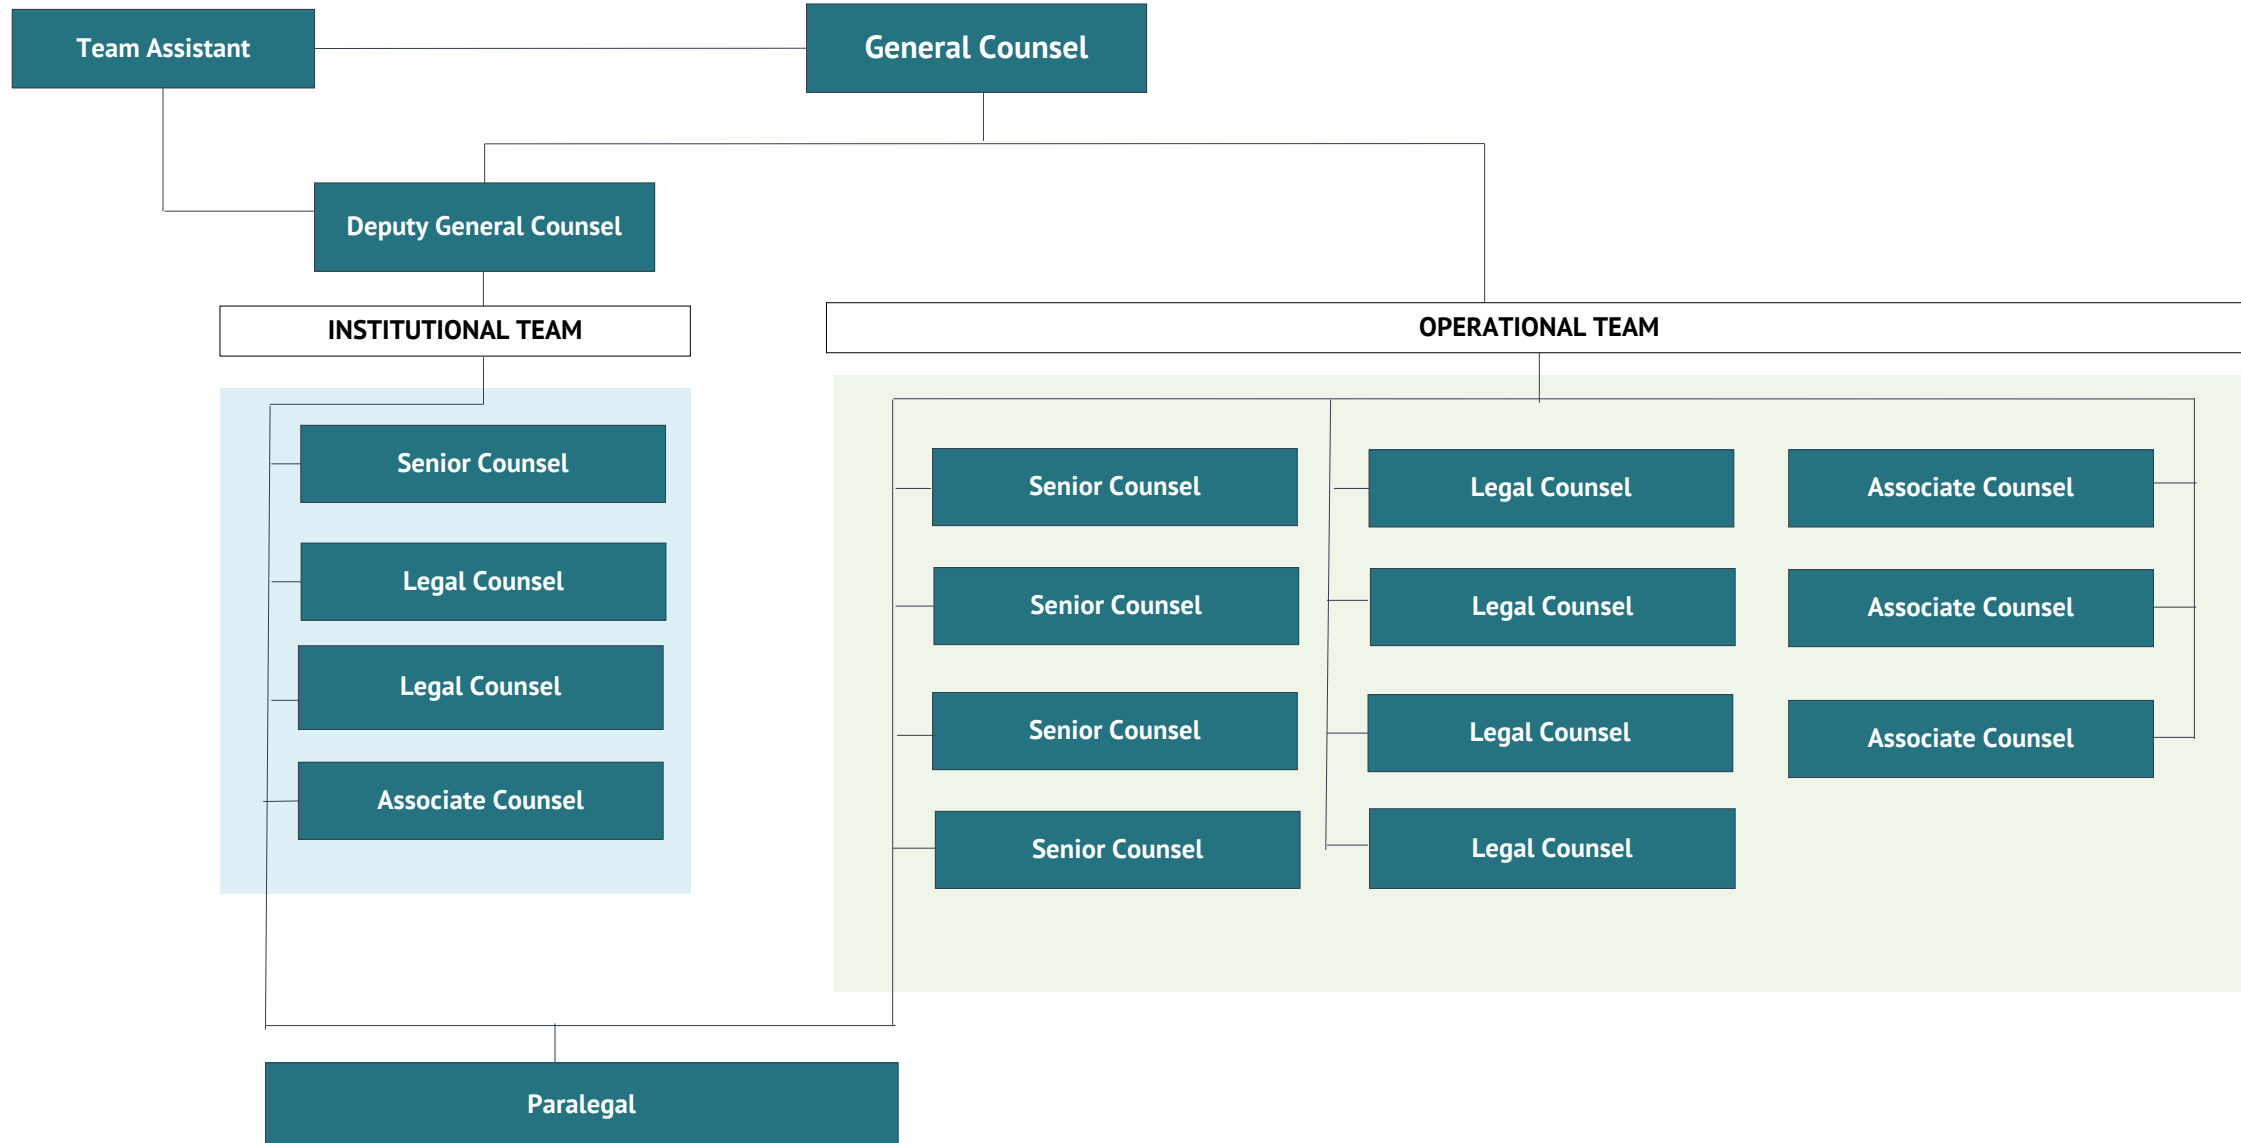

The mission of the Office of Risk Management and Compliance is to create and manage comprehensive risk, compliance and ESS frameworks using best practices to perform our fiduciary responsibilities and to anticipate, identify, prioritize, manage, and monitor the portfolio of business risks impacting GCF. Establish and implement policies which guide and address risk, compliance, environmental and social safeguards, gender and indigenous peoples issues; while in parallel ensuring co-benefits for people and planet. We provide expert advice and solutions to successfully execute GCF's mission. Ensure all investments are within the Fund's risk tolerances; comply with the Environmental and Social Policy, the Gender Policy and IP Policy; and adhere to integrity policies in order to provide assurance to the Investment Committee and Board that impact is achievable without compromising the Fund's reputation.

## Office of the General Counsel

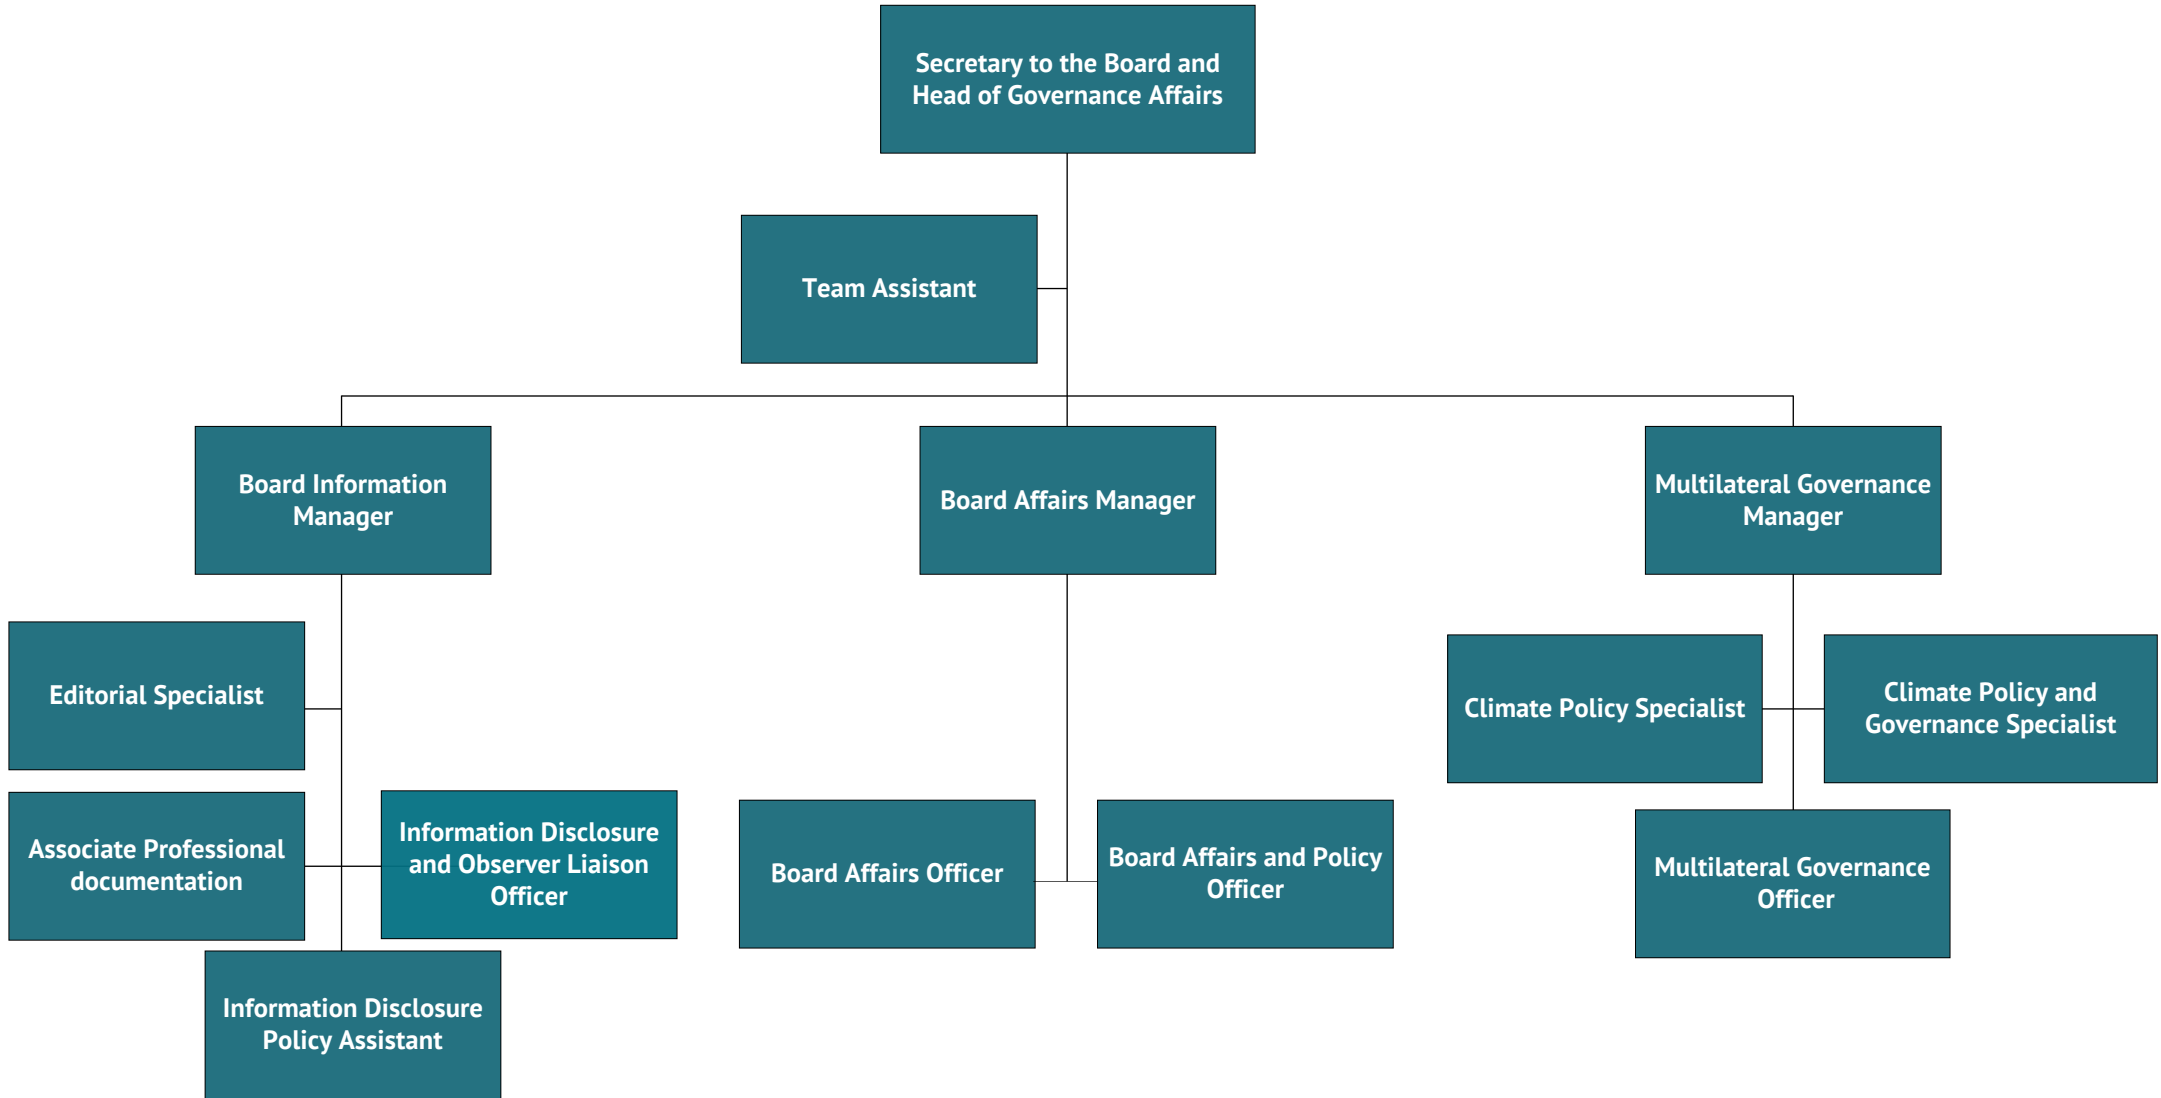

The Office of the General Counsel provides legal services of the highest quality to the Board, the Secretariat and the Independent Units of the Fund so as to preserve and uphold the mandate set out in the Fund's Governing Instrument and the policies and procedures adopted by the Board. OGC supports the drafting and negotiation of legal agreements, the drafting of new policies, procedures and regulations, dispute resolutions and other corporate activities. OGC is divided into the institutional and operations divisions.

## Office of Governance Affairs

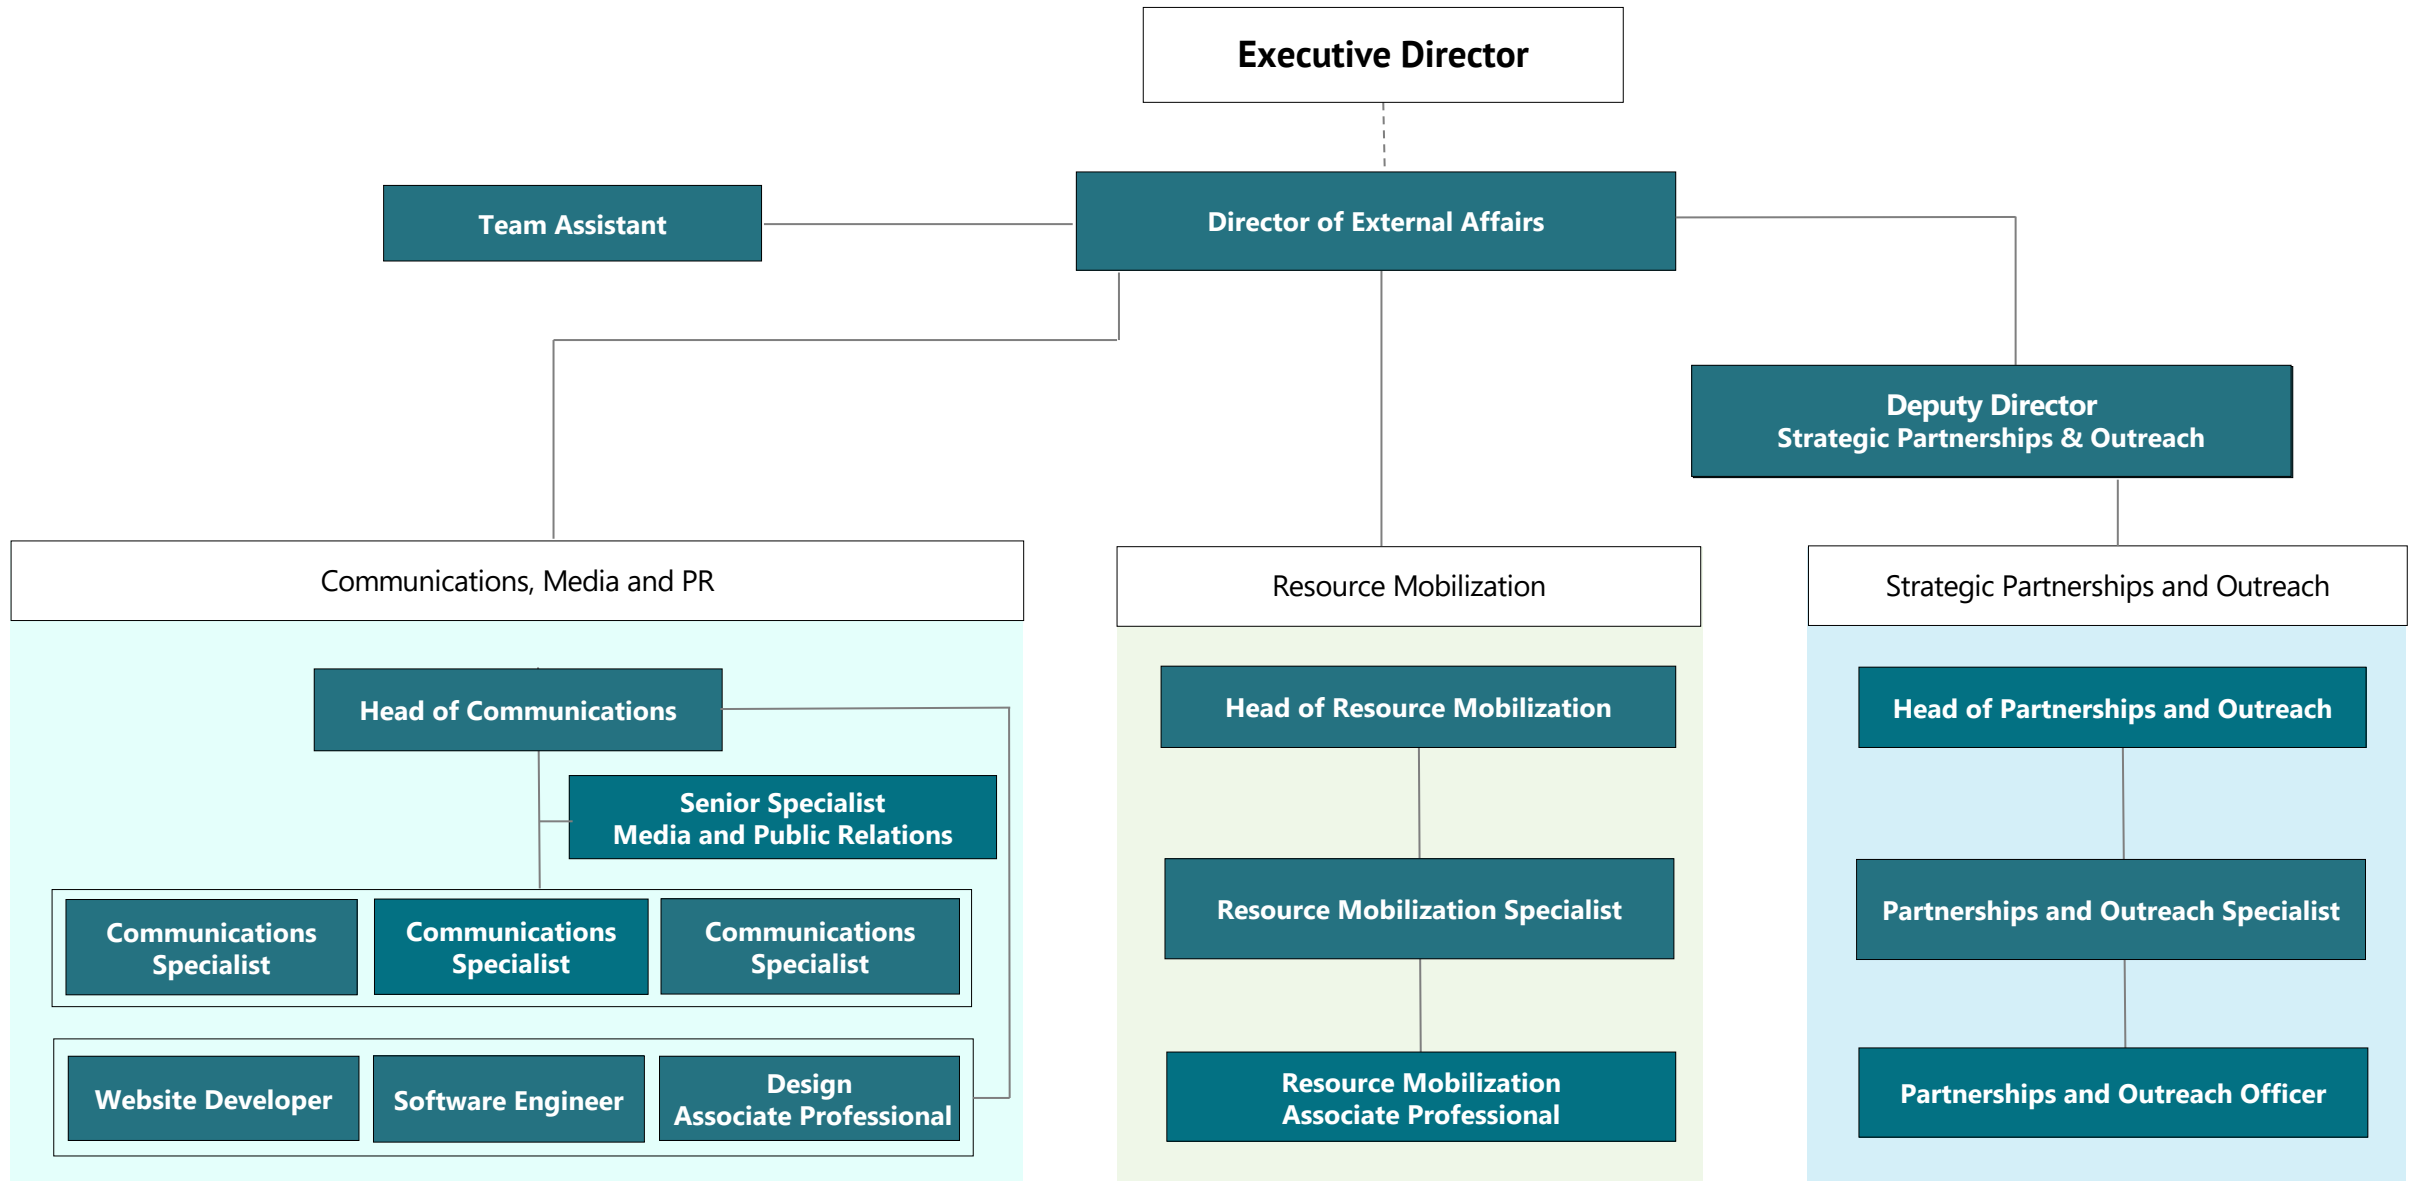

The Office of Governance Affairs provides support across the governance structure of the GCF. This includes supporting the Board decision-making process; managing GCF response to UNFCCC COP guidance; coordinating engagement with other funds and relevant multilateral governance processes; and developing and implementing the policies of information disclosure and observer participation

## Division of External Affairs

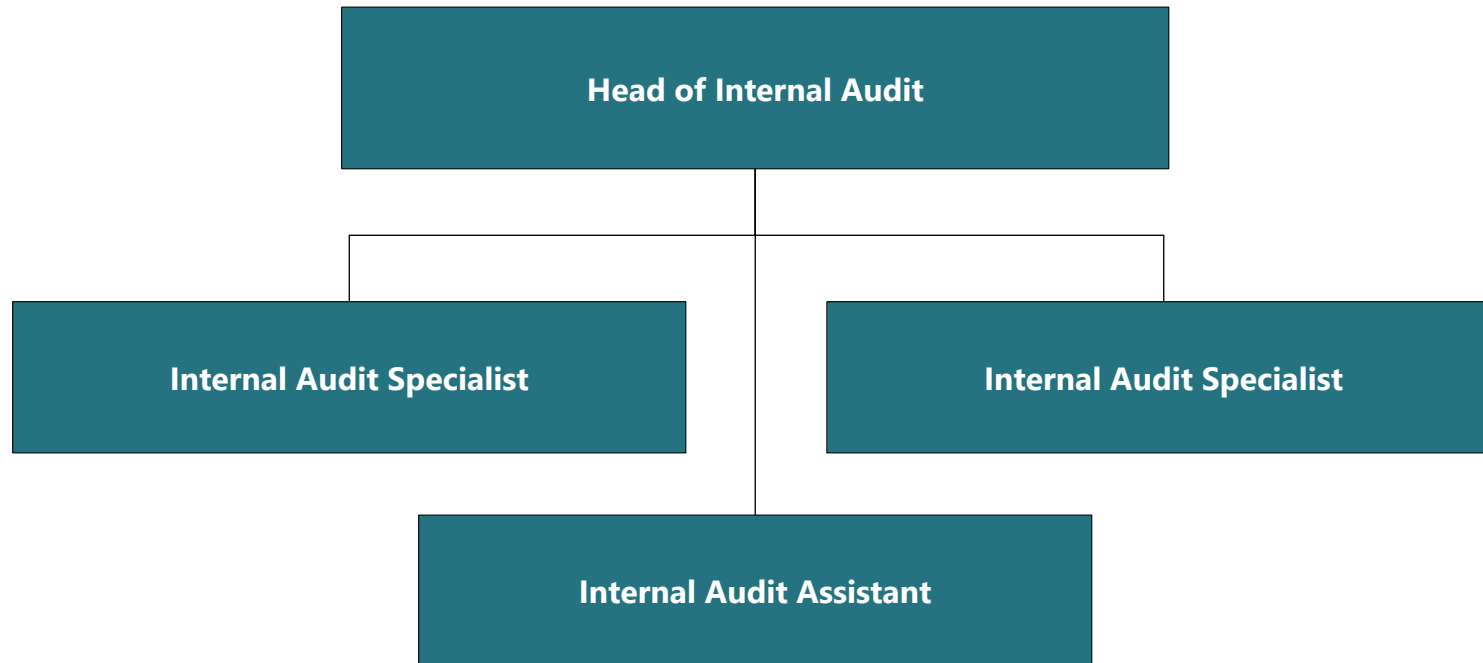

The Division of External Affairs' objective is to promote the strategic positioning of GCF as a partner of choice for climate finance to drive global climate action. To achieve this objective, DEA helps driving a compelling narrative for the fund, supports replenishment and resource mobilization, and maintains and expands partnerships and external engagement.

## **Office of the Internal Auditor**

*The Office of the Internal Auditor's mission is to add value to the Green Climate Fund, improve the Fund's operations, and help the Fund accomplish its objectives. It does so by bringing a systematic, disciplined approach to assess, evaluate and improve the effectiveness of risk management, control, and governance processes.*

## Office of Human Resources

The Office of Human Resources provides programs and activities that attract, nurture, retain and deploy world-class talent to enable GCF to effectively manage its global portfolio and to be a global thought leader in the areas of climate finance.
