Dear Carolina,

It is my honour to write to you in behalf of the members of the Green Climate Fund Board Developed Countries Constituency, following agreement between members of the constituency and with the Chairs of the Regional Groups.

In accordance with the Governing Instrument of the Green Climate Fund, as well as in accordance with the Rules of Procedure, this letter submits the nominations of the Board Members and Alternate Board Members of the Developed Countries Constituency for the fourth term of the Green Climate Fund Board for 2022-2024.

In selecting the candidates, due attention has been given to strong experience and qualifications in climate change and development finance, and to gender balance. In this context, please note that the distribution of board seats within the Developed Countries Constituency may change subject to future decisions in relation to the second formal replenishment of the Green Climate Fund, e.g based on the contribution-based criteria applied for the Third term of the Green Climate Fund Board.

Please find the names of the selected Board and alternate members in the following page table. Constituencies can decide on rotating their Board member and Alternate Board member within their seat during the Board term at their own discretion.

Best regards,
