**Developed Countries Constituency nominations for the third term of
the GCF Board from 2019-2021**

Dear Carolina,

It is my honour to write to you on behalf of the members of the Green Climate Fund Board Developed Countries Constituency, following agreement between members of the constituency and with the Chairs of our Regional Groups.

In accordance with the Governing Instrument of the Green Climate Fund, as well as in accordance with its Rules of Procedure, this letter submits the nominations of the Board Members and Alternate Board Members of the Developed Countries Constituency for the third term of the Green Climate Fund Board from 2019-2021.

In selecting the candidates, due attention has been given to strong experience and qualifications in climate change and development finance, and to gender balance. In this context, **please note that the distribution of board seats within the Developed Countries Constituency may change** subject to future decisions in relation to the first formal replenishment of the Green Climate Fund, e.g. based on the contribution-based criteria applied for the Second term of the Green Climate Fund Board.

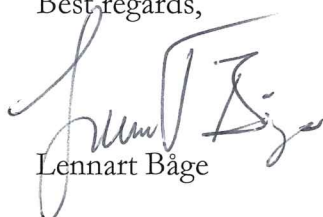

Please find the names of the selected Board and alternate members in the table below. Constituencies can decide on rotating their Board member and Alternate Board member within their seat during the Board term at their own discretion.

Board Member	Alternate Board Member
Mathew Haarsager, Deputy Assistant Secretary for MDB Operations and Policy, Department of the Treasury, USA	Trigg Talley, Director, Office of Global Change, Bureau of Oceans and International Environmental and Scientific Affairs, Department of State, USA
