

Request for proposals (RFP 2018/C014)

Consultancy services for Development of Risk Control Self Assessment(“RCSA”) process.

1. Background

- 1.1 The Green Climate Fund (“GCF”, “Fund”) was established with the purpose of making a significant and ambitious contribution to the global efforts towards attaining the goals set by the international community to combat climate change. In the context of sustainable development, the Fund will promote a paradigm shift towards low-emission and climate-resilient development pathways by providing support to developing countries to limit or reduce their greenhouse gas emissions and to adapt to the impacts of climate change. The Fund’s headquarters are located in Songdo, Incheon City, Republic of Korea.
- 1.2 The GCF was designated as an operating entity of the financial mechanism of the United Nations Framework Convention on Climate Change (“UNFCCC”). It is governed and supervised by a Board that has responsibility for funding decisions pursuant to the Governing Instrument for the GCF. It is supported by an independent Secretariat, accountable to the Board, having management capabilities to execute day-to-day operations of the GCF, providing administrative, legal and financial expertise.

2. Invitation

- 2.1 Through this request for proposals (“RFP”), the GCF is seeking to contract a qualified, reputable and experienced Consultancy Firm to carry provide consultancy services for development of RCSA process. The terms of reference included in Annex 1 provides the details of the assignment and expected deliverables.
- 2.2 Sealed Proposals must be submitted to the Secretariat no later than **Thursday 21th June 2018 at 1700 hrs** Korean time.

The RFP includes the following annexes:

Annex 1	Terms of Reference
Annex 2	Requirement for Firm’s Proposals
Annex 3	Evaluation Criteria
Annex 4	Company Profile Form
Annex 5	Acknowledgement Letter
Annex 6	Timeline
Annex 7	Model Contract

- 2.3 The terms set forth in this RFP, including all the annexes listed above, will form part of any contract, should the Secretariat accept your proposal. Any such contract will require compliance with all factual statements and representations made in the proposal, subject to any modifications agreed to by the Secretariat in the context of any negotiations entered into it.
- 2.4 The GCF may, at its discretion, cancel the requirement in part or in whole. It also reserves the right to accept or reject any proposal and to annul the selection process and reject all

- proposals at any time prior to selection, without thereby incurring any liability to proposers/firms. The cost of preparing the proposal and of any related actions to the RFP shall be borne by the Proposer.
- 2.5 Proposers may withdraw the proposal after submission provided that written notice of withdrawal is received by the GCF prior to the deadline prescribed for submission of proposals. No proposal may be modified subsequent to the deadline for submission of proposals. No proposal may be withdrawn in the interval between the deadline for submission of proposals and the expiration of the period of proposal validity.
 - 2.6 All proposals shall remain valid and open for acceptance for a period of 90 calendar days after the date specified for receipt of proposals. A proposal valid for a shorter period may be rejected. In exceptional circumstances, the GCF may solicit the proposer's consent to an extension of the period of validity. The request and the responses thereto shall be made in writing.
 - 2.7 Effective with the release of this solicitation, all communications must be directed only to Head of Procurement by email at procurement@gcfund.org. Proposers must not communicate with any other personnel of the GCF regarding this RFP.
 - 2.8 This RFP is issued under the GCF Administrative Procurement Guidelines¹. Information regarding the guidelines can be found at http://www.greenclimate.fund/documents/20182/574763/GCF_policy_-_Administrative_Guidelines_on_Procurement.pdf/b767d68e-f8b7-46d1-a18c-b6541f3dc010

3. Request for Clarification of RFP Documents

- 3.1 A prospective proposer requiring any clarification of the solicitation documents may notify the GCF in writing at the GCF mailing or to the email address procurement@gcfund.org by the specified date and time mentioned in Annex 6. The GCF will respond in writing to any request for clarification of the solicitation documents that it receives by the due date published on Annex 6. Written copies of the GCF response (including an explanation of the query but without identifying the source of inquiry) will be posted on the GCF website. They will also be sent to all prospective proposers that have received the solicitation documents.

4. Amendments to RFP Documents

- 4.1 At any time prior to the deadline for submission of proposals, the GCF may, for any reason, whether at its own initiative or in response to a clarification requested by a prospective proposer, modify the RFP documents by amendment. All prospective proposers that have received the RFP documents will be notified in writing of all amendments to the RFP documents. The amendments will also be posted on the GCF website.
- 4.2 In order to allow prospective proposers reasonable time in which to take the amendment into account in preparing their proposals, the GCF may, at its sole discretion, extend the deadline for the submission of proposal.

5. Language of Proposals

- 5.1 The proposals prepared by the proposer and all correspondence and documents relating to the proposal exchanged by the proposer and the GCF, shall be written in English. Supporting documents and printed literature furnished by the proposer may be in another language provided they are accompanied by an appropriate translation of all relevant passages in English. In any

¹ Annex II "Corporate Procurement Guidelines on the Use of Consultants"

such case, for interpretation of the proposal, the translation shall prevail. The sole responsibility for translation and the accuracy thereof shall be the responsibility of the proposer.

6. Submission of Proposals

6.1 Proposers shall submit their proposal either in hard copy or via email.

Submission in hard copy

6.2 Technical and financial proposals must be submitted simultaneously in separate sealed envelopes with the RFP reference and the clear description of the proposal (technical or financial) by the date and time stipulated in Annex 6. The two envelopes must be sealed in an outer envelope with the RFP reference and title.

6.3 Proposals must be sent **ONLY** to the address detailed below. Proposals sent to other addresses or to individuals will put proposer's proposals at risk of being rejected. Proposals sent via fax **WILL NOT BE ACCEPTED.**

6.4 Submission in hard copy may be done by post, courier or hand delivered. Both inner envelopes should indicate the name and address of the proposer. The first inner envelope should contain the proposer's technical proposal with copies duly marked "original" and "copy". The second inner envelope should include the financial proposal duly identified as such. If the envelopes are not sealed and marked as instructed, the GCF assumes no responsibility for the misplacement or premature opening of the proposals submitted.

6.5 Technical proposals shall be submitted in one (1) original envelope, clearly marked as technical proposal with two (2) additional copies and one (1) soft copy in the form of a CD or USB flash drive. Technical proposals (original, copies and soft copy) must be sealed in a specially marked envelope/package labelled:

RFP No. RFP/2018/C014 – Development of Risk Control Self Assessment("RCSA") process - (name and address of proposer)

6.6 Financial proposals should be submitted in one (1) original envelope on the forms prescribed herein. Financial proposals should be sealed separately in a specially marked envelope labelled:

DO NOT OPEN– RFP No RFP/2018/C014 – Development of Risk Control Self Assessment("RCSA") process – FINANCIAL PROPOSAL (name and address of proposer).

6.7 Proposers are strongly recommended to use recycled paper for all printed and photocopied documents related to the submission of this proposal and fulfilment of this contract and shall, whenever practicable, use both sides of the paper.

6.8 Hard copies must be delivered to:

Green Climate Fund
14 Floor, G-Tower, 175, Art Center-daero
Yeonsu-gu, Incheon, 22004,
Republic of Korea

Attention: Head of Procurement

Submission via email

6.9 Proposals can also be sent via email to the following email address:
procurement@gcfund.org

6.10 Where proposals are sent via email, two separate files (technical and financial proposals) should be sent.

The Technical files should be named as follows:

RFP 2018/C014 – TECHNICAL PROPOSAL- (name of proposer)

The financial file should be named as follows:

RFP 2018/C014 – FINANCIAL PROPOSAL-(name of proposer).

The subject line of the email should be as follows:-

RFP No. RFP/2018/C014 – Development of Risk Control Self Assessment(“RCSA”) process (name of proposer).

The Financial Proposal **MUST** be password protected. The authorized procurement officer will contact the bidders that pass the qualifying technical score for the password to open the Financial proposal. Financial Proposals that are submitted without password protection shall be rejected for non-compliance.

6.11 All prospective proposers are kindly requested to return the completed Acknowledgement Letter of RFP receipt (Annex 5) by the date indicated in Annex 6, duly signed by an authorized representative, via email, advising whether it intends to submit a proposal by the designated closing date/time. Please also notify the Procurement Specialist immediately if any part of this RFP is missing and/or illegible.

7. Late proposals

7.1 Any proposals received by the GCF after the deadline for submission of proposals prescribed in Annex 6 of this document may be rejected.

8. Opening of Technical Proposals

8.1 Technical Proposals will be opened on the date indicated in Annex 6 in the room designated for this purpose at the premises of the Secretariat of the GCF. The purpose of this public opening is to record the names of proposers having submitted proposals by the due date and time. Only technical proposals will be opened at the public opening. The financial proposals will not be opened. Proposers submitting proposals are welcome to send one (1) representative, with proper authorization from their company, to observe the opening and recording of proposals received.

9. Opening of Financial Proposals

9.1 After the technical evaluation is completed, the GCF shall notify those Proposers whose Proposals did not meet the minimum qualifying technical score that their Financial Proposals will be

returned unopened after completing the selection process and Contract signing. GCF shall simultaneously notify in writing those Proposers that have achieved the minimum qualifying technical score and inform them of the date, time and location for the opening of the Financial Proposals.

- 9.2 At the opening, the names of the Proposers, and their overall technical scores shall be read aloud. The Financial Proposals shall be then opened, and the total prices read aloud and recorded.

10. Corrupt, Fraudulent, Coercive, Collusive and other Prohibited Practices.

- 10.1 The GCF requires that all GCF staff, proposers/bidders, suppliers, service providers and any other person or entity involved in GCF-related activities observe the highest standard of ethics during the procurement and execution of all contracts. The GCF may reject any proposal put forward by proposers, or where applicable, terminate their contract, if it is determined that they have engaged in corrupt, fraudulent, coercive, collusive or other prohibited practices.

11. Conflict of Interest

- 11.1 In their proposal, proposers must (i) confirm that, based on their current best knowledge, there are no real or potential conflicts of interest involved in rendering Services for the GCF, and (ii) set out their policy on dealing with conflicts of interest should these arise.

12. Confidentiality

- 12.1 Information relating to the evaluation of proposals and recommendations concerning selection of Firms will not be disclosed to Firms that submitted proposals.

Annex 1 Terms of Reference

A. Introduction

1. Pursuant to the guidance received from the Board, the Green Climate Fund (GCF) is in the process of developing and implementing the Risk Management Framework (RMF).
2. The Board of the GCF adopted the first set of RMF components including the Risk Appetite Statement, Revised Risk Register, Risk Dashboard and Risk Guidelines for Funding Proposals (Decision B.17/11).
3. The Board also adopted the second set of RMF components including the Investment Risk policy, Non-financial Risk policy and Funding Risk policy (Decision B.19/04).
4. Non-financial Risk is defined as the potential for financial and non-financial losses arising from the failure of people, process, or technology or the impact of external events.
5. The purpose of the RCSA is to identify, assess and mitigate the Operational Process Error Risk and IT Risk described in the Non-financial Risk policy, adopted at B.19, through the development and continuous evolution of appropriate controls.
6. Each RCSA is expected to be conducted by the “Risk Owner” for the respective process, or IT Risk, in collaboration with the Office of Risk Management and Compliance (ORMC).
7. Identifying, assessing and mitigating the Operational Process Error Risk and IT Risk requires subject matter expertise in the risk management areas of GCF. As GCF may not yet have deep experience in operational risk management, involvement of an external expert is necessary for effective development of the RCSA process.

B. Objective

The objective of this assignment is development of an RCSA process including providing relevant templates/control cards and documentation.

C. Scope of the assignment

The scope of the assignment for the development of the RCSA process includes the following:

1. Consideration of industry standard practices for RCSA processes, conducting gap analysis and proposing a customized RCSA process including relevant methodologies and a roadmap for its operationalization.
2. Advise risk owners on :
 - 2.1 preparing a comprehensive list of all risk events relevant to Operational Process Error Risk and IT Risk;
 - 2.2 forming a view of the likelihood and impact for each type of risk event identified;
 - 2.3 developing mitigation plans including controls, execution steps, resource requirements/estimated costs, and assessment of the residual risk likelihood/impact; and
 - 2.4 identifying the key risk indicators and warning signals for monitoring.

3. Advise ORMC on :
 - 3.1 prioritizing processes on which RCSAs are conducted, and selecting the risk events posing the highest risk levels for further mitigation;
 - 3.2 reviewing/confirming RCSA outputs and the proposed control enhancements;
 - 3.3 finalizing the impact level of risk events and preparing recommendations for further action for the risk events reported as “High” and “Somewhat disruptive”; and
 - 3.4 which tasks/steps can be automated during the RCSA lifecycle in an efficient/effective manner and for implementation.
4. Identify key risk areas for RCSAs to be run as a pilot and conduct interviews/RCSA workshops with risk owners;
5. Develop the relevant templates/control cards/user manual and documentation; and
6. Provide training to the users of the deliverables including relevant templates/control cards and socialization to senior management and the Risk Management Committee.

D. Deliverables

1. RCSA Process and operating model/procedure Documentation
2. Relevant templates/control cards and Roadmap
3. Knowledge transfer(via Workshop/Training)

E. Requirement of the Consultants to be Assigned

The team which will be engaged in the task should be comprised of two persons: one serving as the Lead Manager and the other a Member of Consultant.

1. The Lead Manager should have more than 10 years of experience in operational risk management, finance and advisory.
2. The Member Consultant should have more than 3 years of experience in operational risk management, finance and advisory.

F. Confidentiality

All details of this assignment, discussions, materials, interviews etc. must be kept confidential, unless otherwise specified or authorized by the GCF.

G. Duration of the consultancy

This consultancy is expected to take up to a maximum of 7 weeks. All the deliverables should be delivered by **XXX** 2018.

Annex 2

Requirements for Firms' Proposals Technical Proposal

The technical proposal will be submitted in a separately sealed envelope and will address all aspects of the Terms of Reference. The Technical Proposal shall have all the necessary details in response to the TOR and the proposer shall fill in the technical Forms (TECH Forms) which follow in this annex and which must be filled in accordingly.

TECH Forms

Form TECH-1: Technical Proposal Submission Form

[Location, Date]

To: [Name and address of Client]

Dear Sirs:

We, the undersigned, offer to provide the consulting services for [Insert title of assignment] in accordance with your Request for Proposal dated [Insert Date] and our Proposal. We are hereby submitting our Proposal, which includes this Technical Proposal, and a Financial.

We are submitting our Proposal in association with: [Insert a list with full name and address of each associated Consultant if submitting as an association]

We hereby declare that all the information and statements made in this Proposal are true and accept that any misinterpretation contained in it may lead to our disqualification.

If negotiations are held during the period of validity of the Proposal, i.e., before the date indicated in Paragraph Reference 2.6 of the RFP, we undertake to negotiate on the basis of the proposed staff, methodology and approach. Our Proposal is binding upon us and subject to the modifications resulting from Contract negotiations.

We undertake, if our Proposal is accepted, to initiate the consulting services related to the assignment.

We understand you are not bound to accept any Proposal you receive.

We remain,

Yours sincerely,

Authorized Signature [In full and initials]: _____

Name and Title of Signatory: ____

Name of Firm: .

Address: _____

Form TECH-2: Consultant's Organization and Experience

A - Consultant's Organization

[Provide here a brief (two pages) description of the background and organization of your firm/entity and each associate for this assignment.]

B - Consultant's Experience

[Using the format below, provide information on each assignment for which your firm, and each associate for this assignment, was legally contracted either individually as a corporate entity or as one of the major companies within an association, for carrying out consulting services similar to the ones requested under this assignment. Use not more than 20 pages.]

Assignment name:	Approx. value of the contract (in current US\$ or Euro):
Country: Location within country:	Duration of assignment (months):
Name of Client:	Total N° of staff-months of the assignment:
Address:	Approx. value of the services provided by your firm under the contract (in current US\$ or Euro):
Start date (month/year): Completion date (month/year):	N° of professional staff-months provided by associated Consultants:
Name of associated Consultants, if any:	Name of senior professional staff of your firm involved and functions performed (indicate most significant profiles such as Project Director/Coordinator, Team Leader):
Narrative description of Project:	
Description of actual services provided by your staff within the assignment:	

Firm's Name: _____

Form TECH-3: Comments and Suggestions on the Terms of Reference and on Counterpart Staff and Facilities to be Provided by the Client

On the Terms of Reference

[Present and justify here any modifications or suggestions to the Terms of Reference you are proposing to improve performance in carrying out the assignment (such as deleting some activity you consider unnecessary, or adding another, or proposing a different phasing of the activities). Such suggestions should be concise and to the point, and incorporated in your Proposal.]

Form TECH-4: Description of Approach, Methodology and Work Plan for Performing the Assignment

[Technical approach, methodology and work plan are key components of the Technical Proposal. You are suggested to present your Technical Proposal (Not more than 40 pages, inclusive of charts and diagrams) divided into the following three chapters:

- a) Technical Approach and Methodology,
- b) Work Plan, and
- c) Organization and Staffing,

a) Technical Approach and Methodology. In this chapter you should explain your understanding of the objectives of the assignment, approach to the services, methodology for carrying out the activities and obtaining the expected output, and the degree of detail of such output. You should highlight the problems being addressed and their importance, and explain the technical approach you would adopt to address them. You should also explain the methodologies you propose to adopt and highlight the compatibility of those methodologies with the proposed approach.

b) Work Plan. In this chapter you should propose the main activities of the assignment, their content and duration, phasing and interrelations, milestones (including interim approvals by the Client), and delivery dates of the reports. The proposed work plan should be consistent with the technical approach and methodology, showing understanding of the TOR and ability to translate them into a feasible working plan. A list of the final documents, including reports, drawings, and tables to be delivered as final output, should be included here. The work plan should be consistent with the Work Schedule of Form TECH-8.

c) Organization and Staffing. In this chapter you should propose the structure and composition of your team. You should list the main disciplines of the assignment, the key expert responsible, and proposed technical and support staff.]

- 1 Indicate all main activities of the assignment, including delivery of reports (e.g.: inception, interim, and final reports), and other benchmarks such as Client approvals. For phased assignments indicate activities, delivery of reports, and benchmarks separately for each phase.
- 2 Duration of activities shall be indicated in the form of a bar chart.

Financial Proposal

The Proposer is required to prepare and submit the Financial Proposal in an envelope separately sealed from the Technical Proposal and included inside the outer envelope to contain both separately sealed proposals.

The Financial Proposal must provide a detailed cost breakdown and a payment schedule preferably linked to the schedule of deliverables presented in Annex 1. Provide separate figures for each functional grouping or category including fees and cost-reimbursable expenses. The Financial Section shall provide details of unit /daily fee rate per proposed team member and total consultancy fees based on the time proposed for performance of the services. Any estimates for cost-reimbursable expenses, should be listed separately and capped.

The Financial Proposal must also have the total consultancy fee summarized in addition to the break down covering the lump sum amount for purposes of determining the financial score and contract price. Financial Proposal Standard Forms (FIN Forms) shall be used for the presentation of the Financial Proposal.

FIN Forms
Form FIN-1: Financial Proposal Submission Form

[Location, Date]

To: [Name and address of Client]

Dear Sirs:

We, the undersigned, offer to provide the consulting services for [Insert title of assignment] in accordance with your Request for Proposal dated [Insert Date] and our Technical Proposal. Our attached Financial Proposal is for the sum of [Insert amount(s) in words and figures¹]. This amount is exclusive of the local taxes.

Our Financial Proposal shall be binding upon us subject to the modifications resulting from Contract negotiations, up to expiration of the validity period of the Proposal, i.e. before the date indicated in Paragraph 2.6 of this RFP.

Commissions and gratuities paid or to be paid by us to agents relating to this Proposal and Contract execution, if we are awarded the Contract, are listed below²:

Name and Address of Agents	Amount and Currency	Purpose of Commission or Gratuity
_____	_____	_____
_____	_____	_____

Local Staff		

- 1 Form FIN-3 shall be filled in for the same Professional and Support Staff listed in Form TECH-7.
- 2 Professional Staff should be indicated individually; Support Staff should be indicated per category (e.g.: draftsmen, clerical staff).
- 3 Positions of the Professional Staff shall coincide with the ones indicated in Form TECH-5.
- 4 Indicate separately staff-month rate and currency for home and field work.

Annex 3

Evaluation Criteria

A. Evaluation and Comparison of Proposals

1. The proposals will be evaluated in a three-stage procedure, starting with bid responsiveness then proceeding with evaluation of the technical proposal which will have to be completed prior to any financial proposal being opened and evaluated. The financial proposal will be considered only if the submissions fulfil the minimum technical requirements.

B. Acceptance of Submissions

2. All proposers are expected to adhere to the requirements for submitting a proposal. Any proposals that fail to comply will be disqualified from further consideration as part of this evaluation. In particular:
 - Full compliance with the formal requirements for submitting a proposal
 - Submission of all requested documentation
 - Acceptance of the GCF Model contract – Where the proposer notes issues, these must be raised as part of the technical proposal for consideration during evaluation
3. The Technical Proposal shall include:
 - A brief description, including ownership details, date and place of incorporation of the firm, objectives of the firm, partnerships, qualifications, certificates, etc.;
 - Details to demonstrate vast experience in working with relevant multilateral development funds and familiarity with their operations; and
 - Demonstration of the firm's deep understanding of the GCF, mandate/business model and RMF(Risk Management Framework).

C. Evaluation of Technical Proposal

4. A reviewing committee shall be established to evaluate each technical proposal. The technical proposal is evaluated individually on the basis of its responsiveness to the technical requirements and will be assessed and scored according to the evaluation criteria below and as per scores in the table.
5. Qualifications of the Consulting Firm / Consultant
 - Proven track record of successfully performing similar assignments on developing Risk Control Self Assessment("RCSA") process
 - Proven experience in working with international public and private and multilateral organizations.
 - Demonstrated track record of successful work on advising on operational risk management and assessing effectiveness of relevant processes/methodologies
 - Demonstrated availability of key individuals with applicable skills to provide the requested services (Please provide CVs of key staff that will be involved in the assignment)
6. Qualifications of the Team
The team that would be assigned to undertake the tasks should have the following minimum qualifications:
 - Work experiences described in Section D. [Requirement of the Consultants to be Assigned] of Annex I;
 - Proven work experience with international organizations; and

- Familiarity with the nature of work and mandate of financial institutions.

The team leader should be a Senior Consultant with proven leadership qualities as well as solid knowledge of the subject matter.

Evaluation Criteria

	The firm's expertise	Sub-score	Score
1	Expertise of Firm / Organization submitting Proposal		30
1.1	Proven track record of building organizational capacity and developing methodologies	10	
1.2	Proven experience in working with financial institutions/ Government agencies	10	
1.3	Demonstrated knowledge about the institutions involved in climate change and international development assistance	10	
2	Technical approach and methodology		30
2.1	Have the important aspects of the task been addressed in sufficient detail?	10	
2.2	Is the scope of task well defined and does it correspond to the TOR?	10	
2.3	Is the presentation clear and is the sequence of activities and the planning logical, realistic and promise efficient implementation of the project?	10	
3	Personnel		40
3.1	Lead Expert/ Team Leader		
3.1.1	Strategic level experience	10	
3.1.2	Educational background and professional experience	10	
3.2	Project team		
3.2.1	Professional expertise in area of specialization	10	
3.2.2	Familiarity with similar organizations	10	
	Total		100

Technical proposals that score at least 75 points out of 100 will be considered as qualified for the review of financial proposal. Any proposal less than that will be disqualified from proceeding to the next step and its financial proposal shall be returned unopened following the award of the contract.

D. Evaluation of Financial Proposal

The financial proposal of all proposers which have attained the minimum score in the technical evaluation will be evaluated subsequently. The lowest evaluated Financial Proposal (Fm) is given the maximum financial score (Sf) of 100. The formula for determining the financial scores (Sf) of all other Proposals is calculated as following:

$Sf = 100 \times Fm / F$, in which “Sf” is the financial score, “Fm” is the lowest price, and “F” is the price of the proposal under consideration.

E. Consolidated evaluation

The weights given to the Technical (T) and Financial (P) Proposals are:

T = 0.70, and P = 0.30

Proposals will be ranked according to their combined technical (St) and financial (Sf) scores using the weights (T = the weight given to the Technical Proposal; P = the weight given to the Financial Proposal; T

+ P = 1) as following: $S = S_t \times T\% + S_f \times P\%$.

The firm achieving the highest combined technical and financial score will be invited for contract negotiations.

F. Award

The Award will be made to the responsive proposer who achieves the highest combined technical and financial score, following negotiation of an acceptable contract. GCF reserves the right to conduct negotiations with the Proposer regarding the contents of their offer. The award will be in effect only after acceptance by the selected proposer of the terms and conditions and the technical requirements.

Annex 7

GCF Model Contract

Bidders must provide in the technical proposal a statement that the Bidder has carefully reviewed the Model Contract and its Appendices and is in agreement with all its terms and conditions. The bidder should also provide missing details in the contract, such as the name and the contact details of a person to whom the notices should be sent and the name and position of a person who would sign a contract with the Fund on behalf of the bidder. In case the bidder should have specific issues of concern, those must be raised and indicated in the Technical proposal clearly for consideration during evaluation.

Please note however that such may be considered negative to the bidder during the evaluation.

NB: For this particular contract, the Performance Standards, Insurance, Performance Security and Deductions Clauses will not be applicable.
