II. Responses to Clarifications

No	Clarification requested	GCF Response
1	Just want to see if we need to submit our quote for your items listed below; 1. 2021 Annual Results Report 2. Annual Results Report Promotional Flyer C-2: Umbrella C-4: Biodegradable Pens	Yes. Please provide your quotation for the items listed on Annex 4.
2	Pop Kraft 303g/m2 – Not familiar to this term- we only use kraft paper Recyco 100 g/m2 - Recyco is a Brand name or recycled paper you mean? As you know, Korean brand paper contains only fee % of recycle in it. You want 100% recycled paper? If you want 100% recycled paper, then we have to use Imported paper and this will resulted in much longer production time and higher price.	1. Please refer to this link for the Pop Kraft paper 2. We mainly print on 100% recycled paper, with very few exceptions. Please follow this link for the Recyco paper

3	Offset duplex printing - What is Offset duplex printing? only Offset or digital printing available here in Korea	It's Offset printing. Duplex refers to printing on both sides of paper.
4	Other items: Need to know more specific information to quote – size, materials, printing color etc to make a quote	At this stage we only need to know if your company can produce such items.
5	Could you please indicate which docs have to be submitted this time? Only the docs in MS words?	Both technical proposal (company profile inclusive of the information we indicated in the RFQ documents etc.) and financial proposal should be submitted. But for the financial proposal must be password protected. MS Word or PDF can be used.

Kind regards

Green Climate Fund
